Home Flex Plus: Updated Cash Assistance Policy
June 15, 2018

One of our most important loan programs—Home Flex Plus—is undergoing changes. Given market realities, New Hampshire Housing has been required to reinstate the borrower’s obligation to repay the “Cash Assistance” (2% or 3% of the loan amount; the Cash Assistance can used for down payment or closing costs). We know borrowers need funds to buy their home, and Home Flex Plus can be a source of those funds.

This lender notice provides a brief description of the changes. Additionally, attached are the key documents that provide the detail required to offer Home Flex Plus, namely:

1) The revised Home Flex Plus product sheet; and
2) The policy and procedures for the Home Flex Plus: Cash Assistance Mortgage Program.

This second document covers two issues:
   a. New information about the borrower’s obligation to repay the Cash Assistance; and
   b. Updated information about the funding requirements for the Cash Assistance.

We understand that this change will mean additional documents and steps. As we know, the regulatory and compliance environment has become more complex. We appreciate your patience and understanding as we all strive to help people become successful homeowners.

Effective Date

This policy shall apply to all Home Flex Plus reservations made on or after Monday, July 16, 2018 (Effective Date).

Borrower’s Obligation to Repay the Cash Assistance

For Home Flex Plus loans reserved on or after the Effective Date, the borrower will have to agree to repay the Cash Assistance under the following terms:

- Full amount of the Cash Assistance will be repayable to New Hampshire Housing;
- Secured by a second mortgage (the Cash Assistance Mortgage);
- No interest;
- No periodic payments; and
- Forgiven in full after four years unless during the first four years, the borrower: i) sells the home; ii) refinances the home; or iii) files for bankruptcy. (The four year period begins on the mortgage closing date and ends four years after the closing date. Example: Closing date August 1, 2018. Forgiveness date is August 1, 2022.)
Participating Lender Roles

A key to this new approach is understanding that there are now two distinct loans:
1. The Home Flex Plus Mortgage (the first mortgage that secures the government-insured loan); and
2. The Cash Assistance Mortgage (the second mortgage that secures the Cash Assistance).

The “Participating Lender” will serve two distinct roles depending on which loan is involved:
1. **Lender for the Home Flex Plus Mortgage (the first mortgage).** In this role, the Participating Lender will follow the usual steps for originating, underwriting, processing and closing the Home Flex Plus loan. This role is governed by the mortgage loan purchase agreement (MLPA).
2. **Document Preparer for the Cash Assistance Mortgage (the second mortgage).** New Hampshire Housing is the lender for the Cash Assistance Mortgage. The following will be done by the Document Preparer:
   a. Disclose to the borrower, using: i) New Hampshire Housing program disclosure; and ii) CFPB TRID disclosures;
   b. Prepare the Cash Assistance Mortgage, using the New Hampshire Housing provided form document;
   c. Have the borrower execute the Cash Assistance Mortgage; and
   d. Instruct the closing agent to record the Cash Assistance Mortgage.
The Document Preparer role is governed by the “Document Preparation Agreement.”

Note: To continue to offer Home Flex Plus, the Participating Lender will have to sign the Document Preparation Agreement, which is attached to the policy.

Cash Assistance Funding

The funding process for the Cash Assistance basically stays the same as the current process. The attached policy describes the details of the process. One key change: because the borrower will have to promise to repay the Cash Assistance, those funds are no longer considered a “gift,” and New Hampshire Housing will not provide a gift letter.

Document Preparation Agreement: The agreement between New Hampshire Housing and a Participating Lender that governs the preparation of the disclosures and the Cash Assistance Mortgage. The agreement is attached Exhibit 1.

The Forgiveness Date is August 1, 2022.

### 1.02 INTRODUCTION

This policy outlines New Hampshire Housing’s Home *Flex* Plus Cash Assistance Program. The program has two components:
1. A government-insured first mortgage (the Home *Flex* Plus Mortgage); and
2. Cash Assistance provided by New Hampshire Housing secured by the Cash Assistance Mortgage.

In the past, the Cash Assistance was considered a “gift” to the borrower because the borrower was not required to repay the Cash Assistance. Effective with this policy, that has changed. The borrower will now be required to promise to repay the Cash Assistance and that promise to repay will be secured by the Cash Assistance Mortgage.

The policy aims to provide Participating Lenders with the information and the documents needed to use this program in compliance with the requirements of:
1. New Hampshire Housing;
2. FHA, RD and VA; and
3. All other applicable state and federal laws and regulations.

While this policy strives to be informative, it is not comprehensive. Specifically, Participating Lenders, when acting as a lender on the Home *Flex* Plus Mortgage, are required to comply with all consumer protections laws and regulations, including those of the CFPB.
1.03 OVERARCHING GUIDANCE

To help understand this policy, Participating Lenders should remember that there are two separate but related loans. The Participating Lender will play a different legal role with each loan. These roles are explained in more detail in this policy. Understanding these separate loans and the separate roles is essential to understanding this policy.

1. **Home Flex Plus Mortgage:** The Home Flex Plus Mortgage is the first mortgage, which will be a loan that meets the Program Guidelines. Specifically, the Home Flex Plus Mortgage must meet the current Home Flex Plus product sheet as posted on [www.nhhfa.org](http://www.nhhfa.org). The Participating Lender closes the Home Flex Plus Mortgage in its name and then sells that mortgage to New Hampshire Housing. This mortgage and the Participating Lender’s actions related to this mortgage are governed by the MLPA.

2. **Cash Assistance Mortgage:** The Cash Assistance Mortgage is the second mortgage, which is a loan being made by New Hampshire Housing to the borrowers for the Cash Assistance. The Cash Assistance Mortgage is not being made by the Home Flex Plus lender. The Home Flex Plus lender will act as New Hampshire Housing’s Document Preparer for the Cash Assistance Mortgage. The role of Document Preparer is governed by the Document Preparation Agreement, which is attached Exhibit 1.

1.04 EFFECTIVE DATE

1. This policy applies to all Home Flex Plus reservations made on or after July 16, 2018 (the Effective Date).

2. This policy replaces the New Hampshire Housing’s January 8, 2016 lender notice on the Cash Assistance Program. That prior policy is rescinded as of the Effective Date and does not apply to loans reserved on or after the Effective Date.

3. Important: To continue to offer Home Flex Plus after the Effective Date, the lender will have to have signed the Document Preparation Agreement.

1.05 AMENDMENTS, CHANGES AND MODIFICATIONS

1. New Hampshire Housing may amend this policy from time to time with notice to the Participating Lender about such changes and the effective date for those changes.
ARTICLE II: CASH ASSISTANCE
BORROWER’S REPAYMENT OBLIGATION

Overview: This Article covers:

1. The details the borrower’s repayment obligation for the Cash Assistance.

2.01 REPAYMENT OBLIGATION AND FORGIVENESS

1. Repayment Obligation: Home Flex Plus borrowers will be required to promise to pay back the Cash Assistance under the following terms (Repayment Obligation).
   a. Interest Rate: 0%. No interest shall accrue or be payable on the Cash Assistance Mortgage.
   b. Periodic Payments: None. No periodic payments are required.
   c. Repayment Obligation: The borrower is obligated to repay the full amount of the Cash Assistance upon the happening of a Repayment Event, namely:
      i. The Borrower fully prepays or refinances the Home Flex Plus Mortgage;
      ii. The Borrower sells, transfers, conveys or otherwise disposes of the mortgaged property; or
      iii. The Borrower files for bankruptcy or makes a general assignment for the benefit of the Borrower’s creditors.

2. Forgiveness: Provided that no Repayment Event has occurred; the borrower’s Repayment Obligation shall terminate fully and finally on the fourth anniversary of the closing date of the Cash Assistance Mortgage (the Forgiveness Date).

3. Cash Assistance Mortgage: To document the Repayment Obligation and to provide a second mortgage to New Hampshire Housing, the borrower shall sign the Cash Assistance Mortgage, which is attached Exhibit 2.

4. Release and Discharge: The Repayment Obligation and the Cash Assistance Mortgage will be automatically released and discharged on the Forgiveness Date.

Notes:

1. The Cash Assistance Mortgage is a direct promise to pay and mortgage from the borrower to New Hampshire Housing. The lender shall prepare the Cash Assistance Mortgage and provide that document to the closing agent for execution and recording. The Cash Assistance Mortgage shall be subordinate to the Home Flex Plus Mortgage.

2. Because this lender notice reinstates the borrower’s obligation to repay the Cash Assistance, New Hampshire Housing will no longer be providing a gift letter. See Article V of this policy for the Cash Assistance funding procedures.

3. Neither New Hampshire Housing nor the Participating Lender shall charge the borrower any fees for the Cash Assistance Mortgage. Also, New Hampshire Housing is exempt from paying recording fees. See RSA 204-C:49 I (“nor shall the Authority be required to pay any recording fee….”).

4. The Repayment Obligation applies even if the borrower refinances with New Hampshire Housing.

5. New Hampshire Housing will not be releasing the Repayment Obligation as part of any loss mitigation or bankruptcy.
2.02 QUALIFIED MORTGAGE (QM) AND ABILITY TO REPAY (ATR): HFA EXEMPTION

New Hampshire Housing has concluded that the Cash Assistance Mortgages are exempt from the requirements for QM and ATR. The CFPB regulations, 12 CFR 1026.43 (a) (iv), are clear that the QM and ATR regulations do not apply to: “An extension of credit made pursuant to a program administered by a Housing Finance Agency, as defined under 24 CFR 266.5.” New Hampshire Housing meets this definition of “Housing Finance Agency.” Also see FHA QM rules at 24 CFR 203.19 (c) (2).
ARTICLE III: PARTICIPATING LENDER’S RESPONSIBILITIES
HOME FLEX PLUS MORTGAGE

Overview: This Article covers:

1. How Participating Lenders should enter the Home Flex Plus Mortgage in the FHA systems.

3.01 PARTICIPATING LENDER ENTERING HOME FLEX PLUS MORTGAGE INFORMATION IN FHA SYSTEMS

This section applies to the Home Flex Plus (First Mortgage) and provides guidance on how to enter certain information in the FHA system.

d. **FHA 92900 LT**: Must show as Secondary Financing from Gov’t Source.

![Secondary Financing](image)

- **LTV/CLTV**: Per FHA guidelines, there is no maximum Combined Loan-to-Value (CLTV) when subordinate financing is from a housing finance agency such as New Hampshire Housing. See FHA Handbook 4000.0 II (A)(4)(d)(1)(b) (below extract from FHA guideline):

```
“Handbook 4000.0 II (A)(4)(d)(1)(b) Standard FHA will insure a first Mortgage on a Property that has a second Mortgage or lien made or held by a Governmental Entity, provided that:
- the secondary financing is disclosed at the time of application;
- no costs associated with the secondary financing are financed into the FHA-insured first Mortgage;
- the insured first Mortgage does not exceed the FHA Nationwide Mortgage Limit for the area in which the Property is located;
- the secondary financing payments are included in the total Mortgage Payment;
- any secondary financing of the Borrower’s MRI fully complies with the additional requirements set forth in Source Requirements for the Borrower’s MRI;
- the secondary financing does not result in cash back to the Borrower except for refund of earnest money deposit or other Borrower costs paid outside of closing; and
- the second lien does not provide for a balloon payment within 10 years from the date of execution.

Nonprofits assisting a Governmental Entity in the operation of its secondary financing programs must have HUD approval and placement on the Nonprofit Organization Roster unless there is a documented agreement that:
- the functions performed are limited to the Governmental Entity’s secondary financing program; and
- the secondary financing legal documents (Note and Deed of Trust) name the Governmental Entity as the Mortgagee.

Secondary financing that will close in the name of the nonprofit and be held by a Governmental Entity must be made by a HUD-approved Nonprofit.

The Mortgagee must enter information on HUD-approved Nonprofits into FHA Connection (FHAC), as applicable.

Secondary financing provided by Governmental Entities or HOPE grantees may be used to meet the Borrower’s MRI. Any loan of the Borrower’s MRI must also comply with the additional requirements set forth in Source Requirements for the Borrower’s MRI.

There is no maximum Combined Loan-to-Value (CLTV) for secondary financing loans provided by Governmental Entities or HOPE grantees.

Any secondary financing meeting this standard is deemed to have prior approval in accordance with 24 CFR § 203.32.”
```
Note: The findings must show the Cash Assistance as a subordinate lien, and DU will provide the following note: “This loan casefile may be ineligible for HFA financing as the CLTV exceeds 96.5% on a purchase transaction. Please refer to the online version of FHA Single Family Housing Policy Handbook 4000.1 to determine if the source of the secondary financing allows the CLTV to exceed 96.5.”
ARTICLE IV: DOCUMENT PREPARATION
CASH ASSISTANCE MORTGAGE

Overview: This Article covers:

1. The separate legal role played by the Participating Lender when acting as the Document Preparer on New Hampshire Housing’s behalf;
2. The disclosures required for the Cash Assistance Mortgage; and
3. The other steps and documents required for the Cash Assistance Mortgage.

4.01 SEPARATE LEGAL ROLES: LENDER AND DOCUMENT PREPARER

One of the keys to understanding this new approach is to understand that the Participating Lender will serve two legally separate roles based on which loan is being discussed.

1. **Lender:** In providing the Home Flex Plus Mortgage, the lender is acting as the lender. The relationship between New Hampshire Housing and the lender is governed by the MLPA. Under the MLPA, the lender exercises significant independent discretion.

2. **Document Preparer:** In preparing the documents related to the Cash Assistance Mortgage, the Participating Lender is acting solely as the Document Preparer, not as a lender. This relationship is governed by the Document Preparation Agreement, see attached Exhibit 1. Under that agreement, the Document Preparer will provide the borrower with the required disclosures and the Mortgage and Promise to Pay. The Document Preparer:
   a. is not the lender for the Cash Assistance Mortgage; New Hampshire Housing is the lender for the Cash Assistance Mortgage;
   b. is not making a credit decision on the Cash Assistance Mortgage (if the borrower qualifies for the Home Flex Plus Mortgage, the borrower automatically qualifies for the Cash Assistance Mortgage.); and
   c. is not exercising discretion but is following New Hampshire Housing’s direction about how to disclose and how to process the Cash Assistance Mortgage.

4.02 DISCLOSURES FOR CASH ASSISTANCE MORTGAGE

1. **Disclosure Overview:** As detailed next, two disclosures are required:
   a. A program disclosure that is being required by New Hampshire Housing; and
   b. The CFPB required disclosures.

2. **Program Disclosure:** Although not required by FHA, VA, RD or CFPB, New Hampshire Housing has decided to provide the borrower with a “Program Disclosure,” attached Exhibit 3. This Program Disclosure asks that the borrower acknowledge that to obtain the Cash Assistance, the borrower agrees to pay a higher interest rate on the Home Flex Plus Mortgage. The goal is to provide the Program Disclosure early in the loan process.
Therefore, the borrower shall receive the Program Disclosure with the CFPB Loan Estimate. The Program Disclosure is a one-time disclosure.

3. CFPB Disclosures
   a. New Hampshire Housing has concluded that the Cash Assistance Mortgages qualifies for a partial exemption under the TRID. See 12 CFR §1026.3 (h) and CFPB TILA-RESPA Integrated Disclosure Rule Small Entity Compliance Guide (August 11, 2017) Section 4.5 (attached Exhibit 4). That guide on page 30 states: “The creditor provides either the Truth-in-Lending disclosures or the Loan Estimate and Closing Disclosure. Regardless of which disclosures the creditor chooses to provide, the creditor must comply with all Regulation Z requirements pertaining to those disclosures.”
   b. New Hampshire Housing has decided to use the new TRID disclosures.
   c. On New Hampshire Housing’s behalf, the Document Preparer shall provide the borrower with Loan Estimate, attached Exhibit 5, and Closing Disclosure, attached Exhibit 6, following the models shown in Exhibits 5 and 6.

4. Hold Harmless: In accordance with the Document Preparation Agreement, provided the Document Preparer is acting with good faith and with reasonable efforts to comply with New Hampshire Housing’s instructions on how to disclose the Cash Assistance Mortgage, New Hampshire Housing will defend, indemnify and hold the Document Preparer harmless should a borrower seek redress against the Document Preparer for a disclosure claim related to the Cash Assistance Mortgage.

4.03 DOCUMENT PREPARER STEPS FOR THE CASH ASSISTANCE MORTGAGE

To provide an overview, here is a summary of the steps the Document Preparer shall take for processing the Cash Assistance Mortgage.

1. Loan Application: No separate loan application is required for the Cash Assistance Mortgage. If the borrower qualifies for the Home Flex Plus Mortgage, the borrower automatically qualifies for the Cash Assistance Mortgage. The loan application for the Home Flex Plus Mortgage should state for source of down payment “Secured Borrowed Funds.”
2. Loan Reservation: No separate loan reservation is required for the Cash Assistance Mortgage. When a lender makes a reservation for the Home Flex Plus Mortgage, the system will automatically make a loan reservation for the Cash Assistance Mortgage.
3. Program Disclosure: Provide the borrower with the Program Disclosure, using the New Hampshire Housing provided form, attached Exhibit 3, and obtain the borrower’s signature on that Program Disclosure or other evidence of receipt. This disclosure may be electronically signed.
4. Loan Estimate: Generate the Loan Estimate (LE), which shall show New Hampshire Housing as the lender. Sample LE is attached Exhibit 5.
5. Closing costs: $0. No fees. Neither New Hampshire Housing nor the Participating Lender/Document Preparer shall charge the borrower any fees. Also, New Hampshire Housing is exempt from recording fees.
6. Underwriting: See Article III above for some tips on FHA underwriting.
7. Closing Disclosure: Generate the Closing Disclosure (CD), Exhibit 6, and see the notes above used for completing the LE.
8. Requesting Cash Assistance: Request the Cash Assistance in compliance with Article V of this policy, which provides detailed instructions for requesting Cash Assistance.
9. **Closing:** Prepare the Cash Assistance Mortgage, attached Exhibit 2, and have borrower execute that document.

10. **Record:** Arrange for recording the Cash Assistance Mortgage.

11. **Closing Package:** Send New Hampshire Housing, along with the Home *Flex* Plus Mortgage documents, the Cash Assistance Mortgage documents that are listed on the then current Home *Flex* Plus stacking list.
ARTICLE V: HUD/FHA AND NEW HAMPSHIRE HOUSING REQUIREMENTS FOR FUNDING CASH ASSISTANCE

Overview: This Article covers:

1. HUD’s/FHA’s requirements for New Hampshire Housing to provide Cash Assistance; and
2. New Hampshire Housing’s requirements for funding the Cash Assistance.

5.01 HUD/FHA REQUIREMENTS

1. FHA Handbook: The FHA Handbook, Section II.A.4.d.ii pages 225-227 (12/30/2016), (attached Exhibit 7); see also superseded HUD Mortgagee Letter 2013-14, provides specific guidance regarding: a) funding; and b) documenting down payment assistance (DPA) offered by housing finance agencies such as New Hampshire Housing. Please read the FHA Handbook sections in Exhibit 7 because it has a direct impact on how New Hampshire Housing and all lenders shall process loans with Cash Assistance. Failure to comply with the FHA Handbook can result in the loan being ineligible for FHA insurance, which means New Hampshire Housing cannot purchase the loan and the loan will not have FHA insurance. HUD will be auditing to ensure loans comply with this section of the FHA Handbook, and New Hampshire Housing’s goal is to ensure compliance with the FHA Handbook.

2. Other Requirements: Loans remain subject to all New Hampshire Housing requirements, including the requirements in the Mortgage Loan Purchase Agreement (MLPA). Therefore, New Hampshire Housing retains the right to rescind the obligation to pay Cash Assistance for nonconformance and to reject purchasing a non-compliance loan. Such actions could result in the loan being uninsurable by FHA. Further, a Participating Lender who fails to follow all applicable requirements would be required to pay back the Cash Assistance to New Hampshire Housing.

5.02 REQUESTING CASH ASSISTANCE FUNDS

1. Funding: The FHA Handbook states two ways to comply:
   a. **Actual funding by the housing finance authority at the closing.** Under this approach, New Hampshire Housing funds are wired to the closing agent at or before the closing.
   b. **Legal liability/obligation at or before the closing to fund the Cash Assistance.** Under this approach, New Hampshire Housing acknowledges that it is legally obligated to pay the Cash Assistance even if another party advances the funds at closing.

   New Hampshire Housing has decided to use the first method because of the certainty of compliance with FHA requirements. Participating Lenders that fail to follow the first approach do so at their own risk. Here is a further description of the two approaches.

2. The Standard Operating Policy: Actual Funding at or Before Closing:
   a. Participating Lenders shall request Cash Assistance funds from New Hampshire Housing before noon at least two (2) business days before the closing date. New
Hampshire Housing wants the Cash Assistance funds sent to the settlement agent before the closing.

b. The Cash Assistance Wire Transfer Request, attached Exhibit 8, shall be used to comply with the FHA Handbook and this New Hampshire Housing policy. Once the Cash Assistance Wire Transfer Request has been processed by New Hampshire Housing, the Cash Assistance Wire Transfer Request will be signed by New Hampshire Housing and sent back to the Participating Lender. The signed Cash Assistance Wire Transfer Request specifically confirms that New Hampshire Housing is directly funding the Cash Assistance and that New Hampshire Housing has a legal obligation to fund the Cash Assistance before closing.

3. **The Exception: Legal Liability/Obligation to Fund:**
   a. Participating Lenders shall follow the first approach method. However, New Hampshire Housing recognizes that Participating Lenders can make good-faith errors. Therefore, New Hampshire Housing will allow exceptions under the second method, provided the Participating Lender: i) complies with this section; and ii) signs the Lender Exception Request and Acknowledgement, Exhibit 9. This request states the Participating Lender is liable to repurchase a loan should FHA find this alternative procedure failed to comply with the FHA Handbook.

b. Should a Participating Lender fail to follow the standard funding approach (New Hampshire Housing funds Cash Assistance directly at closing), the Participating Lender shall immediately notify New Hampshire Housing. If a proper reservation was made for the loan and that reservation is still valid and the Participating Lender has a then-current MLPA with New Hampshire Housing, then New Hampshire Housing will confirm that: 1) it directly funded the Cash Assistance with New Hampshire Housing funds; and 2) at or before the loan closing, it was legally liable/obligated to fund the Cash Assistance. See attached Exhibit 10 for a model of this letter.

c. Should the FHA determine a loan funded under this alternative procedure does not have FHA insurance, the loan shall be deemed not an “Eligible Mortgage Loan” under the MLPA. This means either: i) New Hampshire Housing is not obligated to buy that loan; or ii) if New Hampshire Housing has already purchased the loan, the Participating Lender shall immediately repurchase the loan under Article VI of the MLPA. Additionally, if New Hampshire Housing provided the Cash Assistance funds, the Participating Lender shall repay New Hampshire Housing for those funds.

NEW HAMPSHIRE HOUSING FINANCE AUTHORITY  
HOME FLEX PLUS: CASH ASSISTANCE MORTGAGE PROGRAM  

This “Agreement” is between New Hampshire Housing Finance Authority (New Hampshire Housing), 32 Constitution Drive, Bedford, NH 03110, and the “Document Preparer” named below (collectively “the Parties”).

Document Preparer

Name: ______________________________________________________

Address: ____________________________________________________

RECITALS

1. New Hampshire Housing offers Home Flex Plus to eligible homebuyers who want “Cash Assistance” for down payment or closing costs. This program included two separate mortgages.

   a. **Home Flex Plus Mortgage:** The “Home Flex Plus Mortgage” is the first mortgage, which will be a loan that meets New Hampshire Housing’s “Program Guidelines.” The Participating Lender closes the Home Flex Plus Mortgage in its name and then sells that mortgage to New Hampshire Housing. This mortgage and the Participating Lender’s actions related to this mortgage are governed by the MLPA.

   b. **Cash Assistance Mortgage:** The “Cash Assistance Mortgage” is the second mortgage, which is a loan being made by New Hampshire Housing to the borrowers for the Cash Assistance. The Cash Assistance Mortgage is not being made by the Home Flex Plus lender. The Home Flex Plus lender will act as New Hampshire Housing’s Document Preparer for the Cash Assistance Mortgage. The role of Document Preparer is governed by this Agreement.

2. To efficiently administer the Cash Assistance Mortgage program, New Hampshire Housing needs certain disclosures and legal documents (the Cash Assistance Mortgage Documents) to be prepared; signed; and, in some cases; recorded at the registry of deeds. The Document Preparer has agreed to fulfill these functions.

3. The Document Preparer is serving two legally distinct and separate roles with the Home Flex Plus Program:

   a. As the lender for the Home Flex Plus Mortgage; and

   b. As the Document Preparer for the Cash Assistance Mortgage.

This Agreement relates only to the Document Preparer role. A separate contract, the Mortgage Loan Purchase Agreement (MLPA), governs the role of the Participating Lender for the Home Flex Plus Mortgage.
4. This Agreement serves the following basic purposes:
   a. To clearly enumerate that the Parties agree that, in connection with the Cash Assistance Mortgage, New Hampshire Housing is the lender, and the Document Preparer is simply providing New Hampshire Housing with fee-for-service administrative help; and
   b. To ensure that New Hampshire Housing, a public instrumentality of the State of New Hampshire, preserves all of the legal exemptions and other benefits that New Hampshire Housing is entitled to as a public instrumentality and specifically as a housing finance agency.

**AGREEMENT**

For consideration, the Parties agree as follows.

1. **Lender:** For all purposes with the Cash Assistance Mortgage, New Hampshire Housing is and shall be considered the lender. Therefore, New Hampshire Housing will provide the Document Preparer with required Cash Assistance Mortgage Documents and with instructions for creating, executing, and, when appropriate, recording the Cash Assistance Mortgage Documents.

2. **Document Preparer:** For all purposes with the Cash Assistance Mortgage, the Document Preparer: i) is and shall be considered a fee-for-service document preparer; and ii) *is not and shall not be considered the lender.* The Document Preparer shall not make any credit decisions for the Cash Assistance Mortgage. If a borrower applies for and qualifies for the Home Flex Plus Mortgage, the borrower automatically qualifies for the Cash Assistance Mortgage. In fulfilling this Agreement, the Document Preparer is not acting as New Hampshire Housing’s agent; rather, the Document Preparer is acting as a fee-for-service contractor.

3. **Cash Assistance Mortgage Documents:** There will be two types of Cash Assistance Mortgage Documents.
   a. **Documents required by the regulators such as the Consumer Finance Protection Bureau.** The Document Preparer shall use the model documents provided by New Hampshire Housing without altering them other than providing the specific information required to complete the documents, including borrower and loan information. These documents include the “Loan Estimate” and the “Closing Disclosure.”
   b. **Documents required by New Hampshire Housing.** New Hampshire Housing shall provide the Document Preparer with the forms for those documents and instructions for processing those documents. The Document Preparer shall use the New Hampshire Housing provided forms without altering them other than providing the information required to complete the documents, including borrower information and loan information.

4. **Payment for Service:** New Hampshire Housing shall pay the Document Preparer $100 for each Cash Assistance Mortgage. The fee shall be paid when New Hampshire Housing purchases the Home Flex Plus Mortgage.
5. **Program Guidelines:** The Document Preparer shall follow any written Program Guidelines from New Hampshire Housing that apply to the Cash Assistance Mortgage.

6. **Indemnification:** Provided the Document Preparer follows New Hampshire Housing’s instructions, New Hampshire Housing shall defend, indemnify, and hold harmless the Document Preparer against loss or threatened loss or expense by reason of the liability or potential liability of the Document Preparer asserted by third parties as a result of the services provided by the Document Preparer herein. This indemnification shall not apply to claims, complaints or demands caused by the gross negligence or willful misconduct of the Document Preparer. To exercise the rights described in this paragraph, Document Preparer shall notify New Hampshire Housing in writing of any and all claims, complaints or demands within 30 days of when the Document Preparer has received notice of such. In defending any claim or demand under this paragraph, Document Preparer agrees to use counsel reasonably acceptable to New Hampshire Housing. The settlement of any claim or demand must be approved in advance by New Hampshire Housing.

7. **Severability:** If any provision of this Agreement is held to be unenforceable by any court or agency, all remaining provisions of this Agreement shall remain effective and shall be read to fulfill the Parties’ intentions of the Agreement.

8. **Choice of Law:** This agreement shall be interpreted under the laws of the State of New Hampshire.

9. **Entire Agreement.** This Agreement contains the entire agreement between the Parties concerning the Cash Assistance Mortgages.

10. **Termination:** This Agreement may be terminated by either party. The party wishing to terminate shall send the other party written notice of intent to terminate. Given that loans might already be in process, New Hampshire Housing shall then set the actual termination date and the process that the Parties will follow to ensure an orderly termination without any adverse impact on existing loans or loan reservations.

**IN WITNESS WHEREOF,** the Parties have caused this Agreement to be executed as of the date written below.

The following provisions apply to the Borrower’s Repayment Obligation for the Cash Assistance.

a. **Interest rate:** 0%. No interest shall accrue or be payable on the Repayment Obligation.

b. **Periodic Payments:** None. No periodic payments are required.

Specifically, this Cash Assistance Mortgage shall be automatically released and discharged on ______________ without the need for a separately recorded discharge.

**Section Four: Miscellaneous Provisions**

**Termination:** In addition to the automatic termination stated in Section Three, this document will also automatically terminate, releasing the Borrower and the Premises if: a) the first mortgage is foreclosed or if the Premises is transferred pursuant to a deed-in-lieu of foreclosure; or b) the First Mortgage is assigned to the Federal Housing Administration (FHA), Rural Development (RD) or Veterans Affairs (VA).

**Costs and Attorney’s Fees:** The Borrower shall pay New Hampshire Housing for all of its costs, including attorney’s fees, incurred by New Hampshire Housing in enforcing the Borrower’s obligations under this document.

**Release:** The Borrower hereby releases and agrees to hold harmless the lender on the First Mortgage, New Hampshire Housing and any assigns of the First Mortgage or this document, from any and all claims, lawsuits, enforcements, setoffs, defenses and other such actions (collectively “Claims”) for any and all Claims related to the higher interest rate. If any court or tribunal rules against New Hampshire Housing or the lender in any Claim related to the Cash Assistance, the Borrower’s sole remedy shall be forgiveness of the Cash Assistance Mortgage.

EXHIBIT 3: PROGRAM DISCLOSURE
NEW HAMPSHIRE HOUSING FINANCE AUTHORITY
HOME FLEX PLUS MORTGAGE AND CASH ASSISTANCE MORTGAGE

Parties
This “Program Disclosure” relates to the following “Parties”:

“Borrower”: ___________________________________ with an address of _____________________________________________, NH ______;

“Participating Lender”: ___________________________ with an address of _____________________________________________, NH ______; and

New Hampshire Housing Finance Authority (New Hampshire Housing), 32 Constitution Drive, Bedford, NH 03110.

Property: Mortgage and Cash Assistance
The Borrower intends to:
• Purchase the “Property” located at ______________________________________ (address), ____________________ (city/town), NH;
• Borrow money from the Participating Lender to purchase the Property, using a New Hampshire Housing’s Home Flex Plus Mortgage;
• Accept “Cash Assistance” from New Hampshire Housing to assist in the Property purchase; and
• Provide New Hampshire Housing with a “Cash Assistance Mortgage” to secure the repayment of the Cash Assistance.

Disclosures
The Borrower understands and accepts:
• The interest rate on the Home Flex Plus Mortgage will be higher than an interest rate the Borrower might have been able to obtain on a mortgage without Cash Assistance; This higher rate means the Borrower will pay more per month and could pay more overall when compared to a mortgage without Cash Assistance.
• The Borrower will: a) promise to repay the Cash Assistance; and b) provide New Hampshire Housing with the Cash Assistance Mortgage.
• New Hampshire Housing will forgive the Borrower’s obligation to repay the Cash Assistance four years after date of the Cash Assistance Mortgage unless during that four-year period, the Borrower: a) fully prepares or refinances the Home Flex Plus Mortgage; b) sells, transfers or otherwise disposes of the Property; or c) files for bankruptcy, in which cases the Cash Assistance will have to be repaid to New Hampshire Housing.
• The Cash Assistance Mortgage may require the Borrower to fully repay the Cash Assistance, which might then be considered a “balloon payment,” requiring the Borrower to pay back all of the Cash Assistance.
• The Borrower’s obligations under the Home Flex Plus Mortgage are not altered by the Cash Assistance Mortgage.
• New Hampshire Housing is not obligated to: a) Subordinate this Cash Assistance Mortgage to any future mortgages or liens even if the Borrower seeks to refinance with New Hampshire Housing; b) Approve an assumption of this Cash Assistance Mortgage; or c) Release the Borrower’s repayment obligation as part of any loss mitigation or bankruptcy.
• New Hampshire Housing is the sole lender on the Cash Assistance Mortgage. For the Cash Assistance Mortgage, the Participating Lender on the Home Flex Plus Mortgage is simply preparing documents for New Hampshire Housing but is not the lender on the Cash Assistance Mortgage.

Release and Liability Limit
The Borrower hereby releases and agrees to hold harmless the Participating Lender, New Hampshire Housing and any of their assigns from any and all claims, complaints, lawsuits, enforcements, setoffs, defenses and other such actions (collectively “Claims”) related to the higher interest rate. If any court, tribunal or regulatory agency finds against New Hampshire Housing or the Participating Lender on any Claims related to the Cash Assistance Mortgage, the Borrower’s sole remedy shall be forgiveness of the Cash Assistance Mortgage. Additionally, the Borrower releases the Participating Lender from any Claims related to the Cash Assistance Mortgage, which is a loan solely from New Hampshire Housing to the Borrower.

The Borrower has executed this disclosure on ___________ (date).

EXHIBIT 4 (Continued)

When disclosing the name of the consumer on the **Loan Estimate** for a trust, the creditor may opt to disclose the name and mailing address of the trust only, although nothing prohibits the creditor from additionally disclosing the names of the trustee or of other consumers applying for the credit. Further, on both the **Loan Estimate** and the **Closing Disclosure**, a creditor may include a signature line and insert the trustee’s name below, along with a designation that the trustee is serving in its capacity as a trustee. (Comment 37(a)(6)-1) See the **TILA-RESPA Guide to Forms** for more information about disclosing the consumer’s name and use of signature lines.

4.5 What is the partial exemption for certain housing assistance loans for low- and moderate-income consumers? (§ 1026.3(h))

Transactions that satisfy six criteria that are associated with certain housing assistance loans for low- and moderate-income consumers are eligible for an exemption from Regulation Z requirements pertaining to the **Loan Estimate**, **Closing Disclosure**, and **Special Information Booklet**. These transactions are also eligible for an exemption from certain Regulation X disclosure requirements, as applicable. (§ 1026.3(h) and Comment 3(h)-3)

To qualify for the partial exemption, the transaction must meet **all** of the following criteria:

- The transaction is **secured by a subordinate-lien**.
- The transaction is for the **purpose** of down payment, closing costs, or other similar home buyer assistance, such as principal or interest subsidies; property rehabilitation assistance; energy efficiency assistance; or foreclosure avoidance or prevention.
- The credit contract provides that it does **not** require the **payment of interest**.
- The credit contract provides that repayment of the amount of credit extended is forgiven either incrementally or in whole, at a certain date and subject only to specified ownership and occupancy conditions, such as a requirement that the property be the consumer’s principal dwelling for five years; deferred for a minimum of 20 years after
consummation of the transaction; deferred until sale of the property; or deferred until
the property securing the transaction is no longer the consumer’s principal dwelling.

- The total of costs payable by the consumer in connection with the transaction include only recording fees, transfer taxes; a bona fide and reasonable application fee; and a bona fide and reasonable fee for housing counseling services. The application fee and housing counseling services fee must be less than one percent of the loan amount.

- The creditor provides either the Truth-in-Lending disclosures or the Loan Estimate and Closing Disclosure. Regardless of which disclosures the creditor chooses to provide, the creditor must comply with all Regulation Z requirements pertaining to those disclosures.

The requirements that the loan is not conditioned on the payment of interest and that repayment of the loan amount is forgiven or deferred must be reflected in the loan contract. The other requirements for the partial exemption do not need to be reflected in the loan contract. However, Regulation Z requires that the creditor retain evidence of compliance with those provisions. Further, unless the itemization of the amount financed provided to the consumer sufficiently details that the costs payable by the consumer are limited to the allowable costs (and limited amounts of those costs, if applicable), the creditor is required to keep some other written document that establishes its compliance. (Comment 3(h)-2).

Additional Information About This Loan

Loan Disclosures

Assumption
If you sell or transfer this property to another person, your lender
☐ will allow, under certain conditions, this person to assume this
loan on the original terms.
☐ will not allow assumption of this loan on the original terms.

Demand Feature
Your loan
☐ has a demand feature, which permits your lender to require early
repayment of the loan. You should review your note for details.
☐ does not have a demand feature.

Late Payment
If your payment is more than 10 days late, your lender will charge a late fee of $0.

Negative Amortization (Increase in Loan Amount)
Under your loan terms, you
☐ are scheduled to make monthly payments that do not pay all of
the interest due that month. As a result, your loan amount will
increase (negatively amortize), and your loan amount will likely
become larger than your original loan amount. Increases in your
loan amount lower the equity you have in this property.
☐ may have monthly payments that do not pay all of the interest
due that month. If you do, your loan amount will increase
(negatively amortize), and, as a result, your loan amount may
become larger than your original loan amount. Increases in your
loan amount lower the equity you have in this property.
☐ do not have a negative amortization feature.

Partial Payments
Your lender
☐ may accept payments that are less than the full amount due
(partial payments) and apply them to your loan.
☐ may hold them in a separate account until you pay the rest of the
payment, and then apply the full payment to your loan.
☐ does not accept any partial payments.
If this loan is sold, your new lender may have a different policy.

Security Interest
You are granting a security interest in
36 White Tea Road, Derry, NH 03038

You may lose this property if you do not make your payments or satisfy other obligations for this loan.

Escrow Account
For your loan, you will have an escrow account (also called an “impound” or “trust” account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

☐ will not have an escrow account because ☐ you declined it ☐ your lender does not offer one. You must directly pay your property costs such as taxes and homeowner insurance. Contact your lender to ask if your loan can have an escrow account.

Non-Escrow

In the future,
your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.

**Contract Details**
- See your note and security instrument for information about what happens if you fail to make your payments,
- what is a default on the loan,
- situations in which your lender can require early repayment of the loan, and
- the rules for making payments before they are due.

**Liability after Foreclosure**
- If your lender forecloses on this property and the foreclosure does not cover the amount of unpaid balance on this loan,
- state law may protect you from liability for the unpaid balance. If you refinance or take on any additional debt on this property, you may lose this protection and have to pay any debt remaining even after foreclosure. You may want to consult a lawyer for more information.

**Refinance**
- Refinancing this loan will depend on your future financial situation, the property value, and market conditions. You may not be able to refinance the loan.

**Tax Deductions**
- If you borrow more than the property is worth, the interest on the loan amount above the property's fair market value is not deductible from your federal income taxes. You should consult a tax advisor for more information.

ii. Source Requirements for the Borrower’s Minimum Required Investment (TOTAL)

(A) Definition

Minimum Required Investment (MRI) refers to the Borrower’s contribution in cash or its equivalent required by Section 203(b)(9) of the National Housing Act, which represents at least 3.5 percent of the Adjusted Value of the Property.

(B) Standard

The Mortgagee may only permit the Borrower’s MRI to be provided by a source permissible under Section 203(b)(9)(C) of the National Housing Act, which means the funds for the Borrower’s MRI must not come from:

(1) the seller of the Property;
II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

4. Underwriting the Borrower Using the TOTAL Mortgage Scorecard (TOTAL)

(2) any other person or Entity who financially benefits from the transaction (directly or indirectly); or
(3) anyone who is or will be reimbursed, directly or indirectly, by any party included in (1) or (2) above.

While additional funds to close may be provided by one of these sources if permitted under the relevant source of funds requirements above, none of the Borrower’s MRI may come from these sources. The Mortgagor must document permissible sources for the full MRI in accordance with special requirements noted above.

Additionally, in accordance with Prohibited Sources of Minimum Cash Investment Under the National Housing Act -Interpretive Rule, HUD does not interpret Section 203(b)(9)(C) of the National Housing Act to prohibit Governmental Entities, when acting in their governmental capacity, from providing the Borrower’s MRI where the Governmental Entity is originating the insured Mortgage through one of its homeownership programs.

(C) Required Documentation

Where the Borrower’s MRI is provided by someone other than the Borrower, the Mortgagor must also obtain documentation to support the permissible nature of the source of those funds.

To establish that the Governmental Entity provided the Borrower’s MRI in a manner consistent with HUD’s Interpretive Rule, the Mortgagor must document that the Governmental Entity incurred prior to or at closing an enforceable legal liability or obligation to fund the Borrower’s MRI. It is not sufficient to document that the Governmental Entity has agreed to reimburse the Mortgagor for the use of funds legally belonging to the Mortgagor to fund the Borrower’s MRI.

The Mortgagor must obtain:

- a canceled check, evidence of wire transfer or other draw request showing that prior to or at the time of closing the Governmental Entity had authorized a draw of the funds provided towards the Borrower’s MRI from the Governmental Entity’s account; or
- a letter from the Governmental Entity, signed by an authorized official, establishing that the funds provided towards the Borrower’s MRI were funds legally belonging to the Governmental Entity, when acting in their governmental capacity, at or before closing.

Where a letter from the Governmental Entity is submitted, the precise language of the letter may vary, but must demonstrate that the funds provided for the Borrower’s MRI legally belonged to the Governmental Entity at or before closing, by stating, for example:

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

4. Underwriting the Borrower Using the TOTAL Mortgage Scorecard (TOTAL)

• the Governmental Entity has, at or before closing, incurred a legally enforceable liability as a result of its agreement to provide the funds towards the Borrower’s MRI;
• the Governmental Entity has, at or before closing, incurred a legally enforceable obligation to provide the funds towards the Borrower’s MRI; or
• the Governmental Entity has, at or before closing, authorized a draw on its account to provide the funds towards the Borrower’s MRI.

While the Mortgagee is not required to document the actual transfer of funds in satisfaction of the obligation or liability, the failure of the Governmental Entity to satisfy the obligation or liability may result in a determination that the funds were provided by a prohibited source.
