1.1 OVERVIEW, PURPOSE AND APPLICABILITY

1.1.1 Overview and Purpose

NH Housing offers homeownership programs through entities approved by the NH Housing Finance Authority (NH Housing). These rules outline how entities can apply to work with NH Housing on the Single-Family Mortgage Program as a Participating Lender and/or Participating Originator.

If approved, each Participating Lender and Participating Originator shall sign a Mortgage Loan Purchase Agreement (MLPA) (for participating lenders) and/or a Participating Originator Agreement (POA) (for participating originators). Participating Lenders and Participating Originators shall not conduct any business with potential borrowers or with NH Housing until the MLPA and/or POA has been fully executed and the approved Participating Lender and/or Participating Originator has completed any Authority-required training.

This document constitutes a program guideline under the MLPA between NH Housing and the Participating Lender.

1.1.2 Applicability

The guidelines found in this Selling Guide only apply to the Single-Family Mortgage Program. These guidelines do not apply to the Mortgage Credit Certificate (MCC) Program. For additional information, see Section 7.3.1, Mortgage Credit Certificate Program.

1.1.3 Amendments

NH Housing may amend policies by providing participating Lenders with written notice of the change and the effective date of such change. The amended policy shall then be posted on NH Housing’s website (www.nhhfa.org).

1.3 HOMEOWNERSHIP PROGRAM RULES (HFA 301 – HFA 341)

1.3.1 Overview and Purpose
Homeownership Program Rules address:

- Homeownership Program Rules can be found on our website;
- Information that NH Housing shall provide concerning the eligibility criteria and program terms for those seeking to use NH Housing’s Homeownership Program;
- How parties, such as lenders, can work with NH Housing’s Homeownership Programs; and
- Other matters within NH Housing’s Homeownership Programs.

1.3.2 Applicability
Unless otherwise noted in specific Homeownership Program Rules, the NH Housing Selling Guide guidelines apply to all programs. If there is a conflict or ambiguity between the NH Housing Selling
Guide and a specific Homeownership Program rule, the specific Homeownership Program rule shall control.

Authority homeownership programs are only available for properties that are located in the State of New Hampshire.

1.3.3 Rulemaking

The Homeownership Program Rules are adopted pursuant to RSA 204-C:9, which empowers NH Housing to adopt rules relative to programs and operations. In cases where more specific statutes or regulations require or permit rules, those specific rules shall cite those statutes or regulations.

1.3.4 General Eligibility and Decisions on Applications

NH Housing’s Homeownership Programs offer various programs to assist eligible borrowers to become and remain homeowners. Eligibility and general requirements are stated in this Selling Guide, in program documents, including program/product sheets and on Authority websites.

The decision to grant or deny an application is based on several factors. Nothing in this Selling Guide or in any Authority communication or action creates any right in any party or requires NH Housing to grant an application. NH Housing retains its sole discretion and judgment when deciding on applications.

1.3.5 Funding Availability

NH Housing has the power to determine which Homeownership Programs may be offered. NH Housing has the power to eliminate or reduce programs and funding. Programs are only available when resources are authorized and available for specific programs.

1.3.6 Filing Applications, Documents and Notifications

All material shall be submitted in accordance with NH Housing’s requirements.

Unless otherwise required, those wishing to apply for Authority programs may deliver material in writing addressed to NH Housing designated address.

NH Housing may also require or permit material to be delivered electronically to NH Housing designated address, portal, or system.

Material not properly addressed or delivered shall be considered not properly submitted. Unless specifically authorized by NH Housing, phone calls, texts, and emails are not considered valid delivery methods.

1.3.7 Fees and Costs

NH Housing may charge a fee to apply for or to access a program or to participate in doing business with NH Housing. The Selling Guide shall state when such a fee is authorized, and NH Housing shall publish that fee on the Website.

In addition, various Homeownership Programs have associated costs to the borrower, e.g., credit reports, appraisals, title, and inspections, which shall be paid by the borrower when required by NH Housing.
1.3.8 Delegation

Unless otherwise specified in the Homeownership Program Rules, NH Housing’s Board of Directors delegates to the Executive Director:

- The Administration of the Homeownership Programs, including approving or denying loan and program applications; and
- The Approval authority for those seeking to apply to work with NH Housing’s Homeownership Programs.

In the Administration of programs and the Approval of borrowers, the Executive Director has authority to vary from Homeownership Program Rules to accomplish program and participation goals, provided such variances are consistent with any applicable statutes and other program rules, and will help to ensure fair treatment of borrowers.

Pursuant to NH Housing’s operating policies, the Executive Director may delegate the Administration and Approval authority to appropriate staff.

1.3.9 Board Waiver

As stated in HFA 301.10, NH Housing’s Board of Directors may waive any rule when such waiver is warranted by good cause and when such waiver shall not be inconsistent with applicable law and regulation. The Board may delegate waiver authority to the Homeownership Committee.

1.3.10 Amendments

Program requirements, including these Homeownership Program Rules and all program documents, may be amended from time to time based on NH Housing’s sole discretion.

1.3.11 Impact of Repeal

Unless explicitly stated by NH Housing, the repeal or amendment of a rule shall not impact existing borrowers. The loans of such borrowers shall remain subject to the rules in effect when their loan was executed, even if the rules have been repealed. Pending applications will be subject to the rules in place at time of application unless rule change was necessitated by statute. Such pending applications shall be subject to rules compliant with new statutory language and intent.

NH Housing shall maintain a list and a copy of all repealed rules for inactive programs. Upon request, those repealed rules shall be available for public inspection.

1.4 REQUIREMENTS TO APPLY

To request to be Participating Lender and/or Participating Originator, the following process shall be followed.

- The Applicant contacts NH Housing for the application;
- NH Housing sends the application and, as appropriate, the MLPA and/or POA;
- Prior to submitting full application, Applicant must show $3,000,000 closed loan volume in New Hampshire from previous 12 months;
- New Lender Application Fee: $1,000;
• Physical location in New Hampshire is not required;
• Applicant submits a complete application, along with the $1,000 application fee; and
• NH Housing reviews the complete application and either approves or denies the complete application.

An Applicant may apply to be both a Participating Lender and a Participating Originator, provided all required information is submitted.

By submitting a complete application, the Applicant is certifying, under penalties of perjury, that all information, statements, reports, or other documents furnished by the Applicant to NH Housing contain truthful and accurate statements and information. To the extent the Applicant relies on third parties, the Applicant shall take steps to ensure that information, statements, reports, or other documents from third parties are true and accurate.

While the complete application is pending review and approval, the Applicant shall notify NH Housing if anything in its application or supporting documents materially changes or is found to be materially inaccurate.

1.4.1 Eligibility for Participating Lender and Participating Originator

NH Housing shall establish criteria for qualifying to be a Participating Lender and/or a Participating Originator.

NH Housing shall create and provide an application packet that shall include:

• The application;
• Participation information and criteria;
• A list of eligibility requirement; and
• A list of all required information and documents.

The application packet shall require the Applicant to demonstrate the following:

• Due Organization: It is in good standing under the laws of the United States, the State, any applicable federal agencies, and the state of its formation or incorporation.
• Authority and Capacity to Transact Business: It is authorized to transact mortgage business in the State and possesses all requisite authority and licenses to conduct its business.
• Authority to Participate in Mortgage Programs: It has the requisite approvals, licenses, systems, and experience to perform all such program requirements and all MLPA and/or POA requirements for each mortgage program that the Applicant intends to participate in, e.g., Fannie Mae, Federal Housing Administration, Rural Development, Veterans Administration, or private mortgage insurance.
• Office, Staffing, and Systems: It has sufficient staffing and systems to perform all MLPA and/or POA requirements, including providing resumes/bios of owner and key personnel. It has a physical office in the State that is completely staffed with adequate systems to respond to borrowers, real estate professionals, and NH Housing, as well as to fulfill all MLPA and or POA requirements. The applicant may request permission to not have a physical office in the State.
• Mortgage Experience: It has experience as a mortgage lender and/or mortgage originator, which will include providing information on a history of the Applicant’s loan volume.

• Financial Capacity and Minimum: It has sufficient financial resources to perform all Participating Lender and/or Participating Originator requirements. Unless otherwise established by NH Housing, the applicant shall have a minimum net worth consistent with the Fannie Mae or the Freddie Mac net-worth requirement.

• No Litigation Pending: There is no action, suit, proceeding, inquiry, or investigation pending or threatened against the applicant that, either individually or in the aggregate, would:
  • Result in any adverse change in the applicant’s business, operations, financial condition, properties, or assets; or
  • Draws into question the applicant’s ability to perform all MLPA and/or POA requirements.

• No Consent Required: No consent, approval, authority, or order of any court or governmental entity is required for the applicant to operate as a Participating Lender or Participating Originator.

• No Federal or State Suspension or Investigation: It is not subject to any federal, state, or other jurisdiction debarment, suspension, or current investigation related to its lending practices or mortgage operations.

• Fidelity Bond and Errors and Omissions Insurance: In accordance with NH Housing requirements, it has a blanket fidelity bond and an errors and omissions insurance policy, covering the applicant’s officers, employees, and others acting for the applicant.

The applicant shall provide NH Housing with any other documents or information requested by NH Housing to evaluate the application.

1.4.2 NH Housing Decision

The decision to grant or to deny an Application is based on several factors. Nothing in the Homeownership Program Rules and Selling Guide or in any communication or action creates any right in the applicant or requires NH Housing to approve an application. NH Housing retains its discretion and judgment when deciding on such applications.

NH Housing shall send the applicant a written letter of denial or approval.

If NH Housing approves the application, the applicant shall, before taking any other action related to NH Housing’s Single-Family Mortgage Program:
  • Execute the MLPA and/or POA along with required Addenda;
  • Complete any NH Housing-required training; and
  • Complete any other NH Housing-required action.

If NH Housing denies an application, the applicant may seek a review of that decision by sending a request for review, stating the basis for the request, to NH Housing’s Executive Director. The Executive Director shall review the request and provide the applicant with a decision. After receiving the Executive Director’s decision, the applicant may seek further review by sending a request for review to NH Housing’s Board of Directors.
1.4.3 Minimum Loan Submission Requirements

NH Housing has instituted a 5-loan minimum requirement for both Participating Lenders and Participating Originators.

This requirement is needed for two primary reasons:

1. NH Housing must administratively review and manage all lenders. Low-volume lenders do not provide sufficient business to justify this administrative burden.
2. Low-volume lenders are not familiar with NH Housing’s mortgage-file requirements, which means these lenders submit poor-quality mortgage files, which then requires significant efforts to correct.

Here are the guidelines for this requirement.

- Each Participating Lender shall sell NH Housing a minimum of five loans per calendar year.
- Each Participating Originator shall be part of originating a minimum of five, closed NH Housing loans per calendar year.
- Annually, NH Housing will review lender volume. If any Participating Lender or Participating Originator falls below the 5-loan minimum, NH Housing will notify the lender that it has failed to meet the volume requirement.
  - The lender may continue to participate in NH Housing mortgage programs; but
  - Until the lender meets the volume requirement, the lender and its loan officers will not be listed on any NH Housing lender lists, e.g., website and promotional flyers.
- NH Housing will review loan volume and the quality of mortgage files on a quarterly basis. NH Housing will then work with the lender to address how the lender could increase volume to meet the requirement or how lender could improve the quality of mortgage files.
- NH Housing retains its right under the Mortgage Loan Purchase Agreement to terminate lenders from participating in NH Housing loan program when lenders continue to fail to meet the 5-loan minimum requirement or continue to submit poor-quality mortgage files.

Note: This minimum only applies to single-family mortgage programs, not the MCC Program. There is no minimum requirement for the MCC program.

1.4.4 Termination of Participation

The termination of NH Housing’s approval to be Participating Lender and/or Participating Originator is governed by the MLPA and/or the POA.
SECTION 2. RESERVATION AND RATE LOCK POLICY

This policy governs how participating lenders can make reservations in NH Housing’s loan reservation system, which is called “Lender Online.” This policy constitutes a Program Guideline under the Mortgage Loan Purchase Agreement (the Agreement) between NH Housing and participating lenders. For additional information, participating lenders should consult the Agreement.

2.1 MAKING A RESERVATION

Participating Lender shall use Lender Online to:

- Make loan reservations;
- Check the status of existing reservations;
- Update reservation data; and
- Update the status of reservations.

Lender Online will be open for reservations from 9:30 a.m. to 8:00 p.m. on weekdays that NH Housing is open for business. NH Housing may shut down Lender Online or otherwise stop taking reservations even during normal reservation hours.

If Lender Online is not working during a time that NH Housing is taking reservations, the Participating Lender may submit a reservation using the Reservation Form, which may be faxed or emailed. NH Housing will then make the reservation and send the Participating Lender a reservation confirmation.

The Participating Lender shall complete all required fields in Lender Online or in the faxed reservation form.

2.2 PREREQUISITES FOR MAKING A RESERVATION

Certain loan programs require the Participating Lender to take steps before making a reservation. For such programs, the Participating Lender shall comply with all program guidelines before making a loan reservation. Reservations are not valid until such prerequisites have been completed.

Before the Participating Lender requests a reservation from NH Housing, the Participating Lender shall first obtain an “approve/eligible”, “accept” finding, or “refer” (“Refer” for Home Flex only) using an automated underwriting system (AUS) and using the appropriate underwriting for the mortgage insurer, i.e., FHA, RD or VA.

**Home Preferred Programs**

Before making a reservation, the Participating Lender must have received the approve/eligible Desktop Originator (DO) finding, using NH Housing as the sponsor. Findings obtained that do not have NH Housing as the sponsor are not acceptable. Additionally, the reservation must be made
within 20 days of receiving “approve/eligible” findings. A reservation is not valid, and thus the rate is not considered locked, unless the Participating Lender has:

- Received the DO approved findings; and
- Made the reservation within 20 days of receiving “approve/eligible” findings.

The Participating Lender must provide all required information for a loan reservation in Lender Online, to include an accurate DO case file number.

DO Findings must be accurate and complete, to include the following (not an all-inclusive list):

- Interest rate in DO must match NH Housing’s published interest rate at the time of reservation;
- All applicable Special Feature Codes must be reflected;
- NH Housing must be listed as sponsor;
- All borrower information must match reservation (e.g., names, Social Security numbers and property address); and
- The actual address for the property to be mortgaged must be included – the address on findings cannot be “TBD.”

If NH Housing is unable to commit a loan to Fannie Mae due to missing and/or inaccurate information, the Participating Lender will be contacted and asked to update as needed. Inconsistent and/or missing information will delay acceptance of the reservation and may result in a different interest rate based on market conditions. NH Housing shall not be responsible for changes in interest rate due to incomplete/inaccurate reservation submission.

### 2.3 MORTGAGE RATE

NH Housing will post the mortgage interest rates both online at NH Housing’s website and/or Lender Online. Such rates are subject to change, including changes throughout the day, and are not considered locked until the Participating Lender makes a valid reservation with NH Housing.

### 2.4 RATE LOCK

Once a reservation is made via Lender Online, the rate is locked for 60 days subject to the Participating Lender delivering the loan to NH Housing as required in the Agreement and the NH Housing Selling Guide guidelines.

Lenders are not required to extend Home Flex loans rates prior to expiration; loan funding will automatically be adjusted for loans delivered beyond the expiration date based on the schedule. See Section 9, Fees.

**Home Preferred Programs**

Lenders must request extensions in writing (email) prior to the expiration date of the original reservation. Extensions can be requested in increments of 5 days, with 30 being the maximum. Extension fees will be calculated based on the number of days extended then deducted from loan
funding at time of purchase. Participating lenders shall be billed separately for loans extended but not delivered to NH Housing. Loans received after expiration will be subject to worst case pricing plus any additional fees imposed by Fannie Mae.

### 2.5 UPDATING LOAN STATUS

The Participating Lender shall periodically review its reservation pipeline and update the status of each reservation.

### 2.6 NONCOMPLIANCE

NH Housing has the right to reject reservations that do not comply with the NH Housing Selling Guide guidelines, regardless of when that noncompliance is discovered.
SECTION 3. OTHER LOAN POLICIES AND REQUIREMENTS

Refer to Sections 7 and 8 for specific policy and underwriting information.

3.1 INCOME LIMITS POLICY

3.1.1 Introduction

Under the Mortgage Loan Purchase Agreement (MLPA), lenders are required to ensure that a loan meets all of NH Housing’s program requirements. The income limits for each program are part of those program requirements. Before making a loan reservation, the lender shall confirm that the borrower meets the applicable income limit. If the borrower’s income exceeds these limits, NH Housing is not obligated to buy that loan and/or NH Housing is not authorized by the IRS to issue that mortgage credit certificate (MCC).

In reading this policy, lenders should keep in mind the following.

- For loan programs, the lender will use the borrower’s income that is used to qualify the borrower for the loan. This is not necessarily based on all income or everyone in the household.
- For the MCC program, the income limit is based on all income for everyone in the household.

3.1.2 Home Flex Program Income Limits

This policy applies to all loans made pursuant to the Home Flex and Home Flex Plus loan programs.

NH Housing establishes a single, statewide Income Limit for all Home Flex loans. This limit applies regardless of family size. The limit is based on the income used by the borrower to qualify for the loan.

3.1.3 Home Preferred Program Income Limits

Applicability and Effective Date: This policy applies to all loans made pursuant to the Home Preferred and Home Preferred Plus programs made on or after May 28, 2019.

NH Housing establishes Income Limits for the Home Preferred loan programs. These limits apply regardless of family size. These limits are based on the income used by the borrower to qualify for the loan.
3.1.4 Homebuyer Tax Credit (Aka “Mortgage Credit Certificate”) Income Limits

NH Housing sets income and purchase price limits for the Mortgage Credit Certificate program (MCC) based on IRS requirements. NH Housing cannot allow exceptions to these income and purchase limits. The Income Limits, as previously mentioned, are based on gross income not qualifying income.

3.2 IRS TAX TRANSCRIPTS

NH Housing may require IRS tax transcripts, depending on the loan program.

3.2.1 Home Flex and Home Flex Plus Programs

Most recent IRS transcripts are only required if the insurer requires them. AUS findings must be followed and documented.

3.2.2 Home Preferred and Home Preferred Plus Programs

Most recent two years of IRS tax transcripts are required.

3.2.3 Mortgage Credit Certificate

Most recent three years of IRS tax transcripts and/or signed tax returns are required. These documents will not be required if the property is located in a “targeted” area.

3.3 TRAILING DOCUMENTS (AKA “POST-CLOSING DOCUMENTS”) POLICY

3.3.1 Definitions

- “Correct Document” means a required document that is complete, conforming, and accurate and is confirmed by NH Housing and the secondary-market document custodian as being complete, conforming, and accurate.

- “Incorrect Document” means a required document that is not complete, conforming, or accurate as determined NH Housing or the secondary-market document custodian.

- “Loan Purchase Date” means the date NH Housing purchased a loan from a lender.

- “Missing Trailing Document” means a required post-closing loan document that:
  - Has not been provided to NH Housing; or
  - Has been provided to NH Housing but is not a Correct Document, meaning the document is not complete, conforming or accurate.
3.3.2 Introduction
Lenders shall timely submit all Correct Documents that are required by the applicable stacking list. Failure to provide timely Correct Documents creates significant challenges and financial impacts. This policy aims to provide lenders with a reasonable opportunity to submit Correct Documents. However, if a lender does not comply, this policy creates penalties to motivate performance and to compensate NH Housing when it takes steps to address a lender’s nonperformance.

3.3.3 Deadlines/Timelines
To provide lenders with reasonable time while ensuring timely delivery of Correct Documents to NH Housing, the following timelines/deadlines apply to all loan programs. Lenders can view loan-level document data via Lender Online. Additionally, NH Housing will provide lenders with periodic reports that breakdown loans by the timeline in this table.

<table>
<thead>
<tr>
<th>Day</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Day 1</td>
<td>Loan Purchase Date</td>
</tr>
<tr>
<td>Day 15, 30 and 45</td>
<td>NH Housing will provide reports to lender with a comprehensive list of loans with Missing Trailing Documents segregated based on the timelines in this table.</td>
</tr>
<tr>
<td>Day 60</td>
<td>Correct Documents are due. Documents received after this deadline are considered untimely Missing Trailing Documents.</td>
</tr>
<tr>
<td>Day 61</td>
<td>NH Housing will send lender a warning that documents are late. Lender shall submit such documents by day 90 or the penalty (see below) will be assessed.</td>
</tr>
<tr>
<td>Day 91</td>
<td>Penalty assessed for each Missing Trailing Document that is over 90 days.</td>
</tr>
<tr>
<td>Day 120</td>
<td>Penalty not due if lender provides NH Housing with the Correct Document.</td>
</tr>
<tr>
<td>Day 121</td>
<td>Penalty becomes final and collectable if lender does not provide Correct Document. Without relieving lender of its obligations, NH Housing may take steps to obtain Missing Trailing Documents.</td>
</tr>
</tbody>
</table>

Note: Timelines/deadlines in this table are based on calendar days since the Loan Purchase Date. Lenders can access each loan’s status in Lender Online. Additionally, NH Housing will be reporting to lenders on a periodic basis the loans that are missing documents, and those reports will categorize the loans based on the timelines in the table. For example, while a loan may pass the 61-day mark, the loan will be reported on the next periodic report, and the lender will have the allotted time to address from the report date.

3.3.4 Incorrect Documents
If a lender submits an Incorrect Document, NH Housing shall:
- Notify the lender of the defect via Lender Online; and
- Provide the lender with 30 days from that notice to submit the Correct Document.
If the lender:

- Submits the Correct Document within this 30-day deadline, then, no penalty shall be due; or
- Fails to submit the Correct Document within the 30-day deadline, then a $150 penalty shall be due and collectable on day 31 from the notice of defect via Lender Online. This 30-day deadline applies even if lender would have otherwise had additional time to submit under Section 3.3.3. above.

3.3.5 Penalties and Costs

If a lender fails to provide a Correct Document within the deadlines, NH Housing shall impose the following penalties and costs.

- **Penalty**: $150 per Missing Trailing Document that remains outstanding (missing or incorrect). Thus, a loan file that includes more than one Missing Trailing Document will be assessed a separate $150 penalty for each Missing Trailing Document.
  - The penalty will be assessed on day 91 for each Missing Trailing Document;
  - The penalty will not be due if the Correct Document is submitted by day 120; and
  - The penalty shall be final and collectable on day 121.

- **Collection of Penalties**: Monthly, NH Housing will provide lenders with a statement of penalties that are final and collectable. The lender shall pay that statement of penalties within 30 days. If the lender fails to timely pay, NH Housing shall take additional steps to obtain payment, which could include withholding lender compensation on other loans and crediting that holdback towards the outstanding penalties.

- **Costs**: NH Housing may charge lenders for “costs” that exceed the penalty when NH Housing or a third-party vendor takes steps to obtain:
  - A Missing Trailing Document that is still missing 121 days after Loan Purchase; or
  - An Incorrect Document that has not been corrected within the 30-day deadline.
  “Costs” includes staff time, document preparation, shipping, or recording and other costs associated with NH Housing having to obtain the document.

3.3.6 Loan Sale/Assignment

The lender’s sale/assignment of a loan to NH Housing entitles NH Housing to work directly with the borrower and any third party that closed the loan or provided any service/insurance connected to the loan, e.g., title company or title insurer. Lenders shall support NH Housing’s exercise of this right such as informing borrowers and third parties to cooperate with NH Housing’s efforts to obtain Correct Documents.

3.3.7 Lender Contacts

To assist with reporting and to ensure performance, lenders shall provide NH Housing with staff contact(s) who work day-to-day on the post-closing documents. Additionally, lenders shall provide contacts for manager(s) of the post-closing process and the contact name for billing statements of penalties and costs. Lenders shall use the contact form to update the list with staffing changes. NH Housing shall use this contact list to send reports and to reach out when needed to address nonperformance. Please complete our Trailing Documents Staff Listing form and submit via email to mchadbourne@nhhfa.org.
3.3.8 Reporting and Check-ins

- **Lender Online:** Lenders may use Lender Online to view all loan files that have missing documents (initial and trailing).

- **Reports:** To assist lenders, NH Housing will provide lenders with periodic reports that show the status of loan files with Trailing Missing Documents. The reports shall provide a list of loans categorized by the time since the Loan Purchase Date.

- **Check-ins:** NH Housing will hold periodic calls with lenders to review the list of Missing Trailing Documents and to address any performance issues.

3.3.9 Other Remedies

Nothing in this policy, including the penalties and costs, limits NH Housing’s rights under the Mortgage Loan Purchase Agreement. Specifically, lenders that fail to meet the obligation to provide Correct Documents or to pay the penalties and costs may be:

- Suspended or terminated from participating in NH Housing’s programs; or
- Required to repurchase the loan; or
- Required to provide NH Housing with other compensation or assurances related to the lender’s nonperformance.

3.3.10 Effective Date

Lenders are currently obligated by the Mortgage Loan Purchase Agreement to timely (within 60 days) provide the documents required by NH Housing, including documents required by the secondary market. Nothing in this new policy relieves lenders from their existing obligations.

Here are effective dates:

- Loans with a Loan Purchase Date on or after June 1, 2020, the policy applies as stated above, including the deadlines in paragraph 3, meaning penalties will be assessed 91 days after the Loan Purchase Date.

- Loans with a Loan Purchase Date before June 1, 2020, the following deadlines apply. These loans are well past the existing 60-day deadline to submit documents, and so, lenders will be given one more opportunity to provide the document or be penalized.

**Example:**

<table>

3.5 HOMEBUYER EDUCATION AND COUNSELING POLICY

3.5.1 Purpose

NH Housing recognizes that homebuyer education and counseling are important first steps for many borrowers, including first-time homebuyers. Additionally, NH Housing recognizes, and lenders and borrowers must recognize, that certain loan programs have specific standards and requirements for homebuyer education and counseling. This policy attempts to provide those
requirements, but under the Mortgage Loan Purchase Agreements, lenders shall ensure loans meet all program requirements, including requirements from FHA, RD, VA, Fannie Mae and NH Housing.

NH Housing encourages borrowers to attend homebuyer education and counseling to help:

1. Homebuyers make informed decisions about their future housing needs; and
2. Homebuyers succeed in homeownership, with specific focus on the homebuyers ability to pay the mortgage and other housing costs.

3.5.2 Requirements

NH Housing will inform borrowers and lenders about which NH Housing mortgage programs require homebuyer education and/or counseling. This information will be generally provided in the product fact sheets. Lenders should be familiar with requirements imposed by FHA, RD, VA, Fannie Mae and NH Housing. Fannie Mae’s requirements are stated in their Selling Guide, Part B2-2-06 (Homebuyer Education and Housing Counseling) with modifications stated in this NH Housing policy.

This policy provides general standards and then provides a list of homebuyer education and counseling providers that are acceptable to NH Housing.

When NH Housing requires homebuyer education and/or counseling, the following policies apply:

- Homebuyer education and counseling should be tailored to meet the borrower’s needs. Training materials and/or manuals should be provided to the borrower for future reference. Each borrower who successfully completes the course shall be provided a signed certificate of completion.
- In general, group education sessions should cover the following topics:
  - Readiness for homeownership
  - Budgeting and credit
  - Selecting a home
  - Obtaining a mortgage
  - Maintaining a home
- Individual homeownership counseling sessions should provide a personalized assessment of the borrower’s financial position and readiness for homeownership, including an analysis of the borrower’s credit history and current financial situation.
- Education and counseling must be provided according to the standards set by:
  - US Department of Housing and Urban Development
  - The National Industry Standards for Homeownership Education and Counseling (www.homeownershipstandards.org)

Education and counseling providers shall be approved by NH Housing, and the names of approved providers shall be posted in the NH Housing Selling Guide found at www.nhhfa.org/lenders.

- NH Housing encourages face-to-face education and counseling whenever possible. NH Housing will permit borrowers to receive online and telephone education and counseling
from approved providers. Online and telephone sessions must cover the same topics as face-to-face sessions. NH Housing’s online course, found at www.GoNewHampshireHousing.com, is an approved online course.

- All required homebuyer education and counseling must be provided by a third party that is independent of the lender and approved by NH Housing. In some cases, NH Housing will provide homebuyer education, act as a lender, or purchase a loan from another lender.

- Borrowers who intend to finance 2-4 unit properties with NH Housing must complete an acceptable landlord education course in addition to homebuyer education.

- NH Housing may approve unique homebuyer education and counseling courses and providers based on specific loan program requirements. Approved homebuyer education and counseling courses and providers are subject to change at any time.

3.6  BORROWERS WITH CONNECTION TO MARIJUANA-BASED BUSINESS POLICY

3.6.1  Purpose
This policy provides an overview of how NH Housing will address a loan when the borrower derives income from the marijuana industry. While there may be some differences, this policy applies to the Participating Lender channel and the Participating Originator channel.

Given the fact-specific nature of these loans, NH Housing will not make or purchase such a loan unless the loan meets this policy and the Managing Director, Homeownership has reviewed the specific loan and granted permission to make or purchase the loan.

3.6.2  Key Issues
As spelled out in the mortgage loan purchase agreement, the lender is ultimately responsible to ensure the loan meets all application guidelines, requirements, rules and laws. The following are some additional guidelines to consider.

• The Loan: Must meet all loan requirements, including any specific requirements related to the marijuana issue. Based on current knowledge: Fannie Mae allows; FHA, VA and RD prohibit these types of loans.

• Activity: The marijuana activity must be legal under New Hampshire law.

• Organization: The marijuana organization that employs the borrower must be fully licensed under New Hampshire law. The file must include that license. Borrowers employed by organizations from other states are not allowed.

• Borrower: Must be an employee who is paid via check or direct deposit with organization issuing a W-2. Borrowers paid in cash are not eligible. Owners are not permitted.
References

- New Hampshire Law:
  - RSA 126-X
  - Department of Treasury Guidance
- Fannie Mae: Based on NH Housing’s understanding, here are the current Fannie Mae guidelines:
  - If a borrower identifies him/herself as an employee of a marijuana-based business, the same employment and income verification processes apply as to borrowers employed in any other business. These borrowers’ income can be used for qualification so long as it can be verified in accordance with the Selling Guide requirements. No further investigation (beyond that which would apply to any borrower, regardless of business type) into the legalities of the business which employs the borrower is required.
  - If a borrower (or co-owner of the subject property, regardless of borrower status) has an ownership interest in a marijuana-based business and proceeds from the business are used as funds for the transaction (down-payment, closing costs, etc.) or if income from the business is used in qualifying the borrower for the loan, the loan is not eligible for sale to Fannie Mae.
  - Any loan secured by a property where marijuana is being cultivated or stored for sale, regardless of its permissibly under state law, is ineligible for sale to Fannie Mae.

Note: Borrower must complete and sign the Borrower Affidavit Regarding Connection to Marijuana-Based Business. Lender must also countersign and include with the loan application.

3.7 POWER OF ATTORNEY POLICY

NH Housing strongly suggests that all borrowers be present at closing. If a borrower’s presence at closing is unavoidable or presents a hardship for the borrower, counsel representing the borrower needs to prepare a Power of Attorney (POA) acceptable to the title company and acceptable to NH Housing. The POA must comply with HUD regulations, New Hampshire state law, and title requirements imposed by the title company. There must be no exception on the title policy for the POA.

3.7.1 General Requirements

- The POA must be specific to the real estate transaction.
- The property address must be present and must match the property address on the closing documents. No address variations are permitted.
- The POA must be executed on or before the date of execution of the closing documents.
- The POA must be notarized.

New Hampshire Housing must prior approve the Power of Attorney before closing.
SECTION 4.  HOME FLEX PURCHASE REHABILITATION LOANS

4.1 PRIOR TO CLOSING

Lenders must submit all documents as listed on the Rehabilitation Document Checklist. Allow 48 hours for review.

Upon review, lender will be notified of approval or of additional information needed. The approval will include specific disbursement instructions (amount and to who) as well as copies of:

- Initial Owners Affidavit;
- Notice of Construction Mortgage; and
- Closing Agent Disbursement Instructions.

These documents must be sent to the closing agent for execution and distribution.

4.2 CLOSING

4.2.1 Closing Disclosure

The Closing Disclosure must reflect all rehabilitation costs and disbursements per NH Housing approval referenced in section 4.1.

4.2.2 Posting of Notices

At the closing, the borrower will be provided with an Initial Owner’s Loan Disbursement Affidavit and a Notice of Construction Mortgage. The borrower must complete the Notice of Construction Mortgage and this notice must be posted at the property as soon as possible. It must remain posted for the duration of the rehab work. An affidavit will be relied upon as proof that the posting has taken place.

4.2.3 Initial Disbursement

Upon receipt of the fully executed and notarized Initial Owner’s Loan Disbursement Affidavit, the closing agent is authorized to release the two-party check(s) indicated on the Closing Disclosure.

4.2.4 Final Disbursement

Upon purchase of the loan from the Lender, NH Housing will send the borrower a Welcome Package, which will include contact information, instructions on the final disbursement process, and the following documents:

- Mortgagors Letter of Completion
- Final Owner’s Loan Disbursement Affidavit (one per contractor)
- Final Contractor’s Loan Disbursement Affidavit (one per contractor)
When the work is complete, (must be completed within 180 days of closing) the borrower must contact NH Housing to request a final inspection. NH Housing will also order the title update.

- Fully Executed Mortgagors Letter of Completion
- Final invoices from all contractors
- Fully executed Final Owner’s Loan Disbursement Affidavit (one per contractor)
- Fully executed Final Contractor’s Loan Disbursement Affidavit (one per contractor)

Upon receipt, review and approval of the above is required. NH Housing will issue the final two-party check and close out the file.
SECTION 5. DELIVERY AND PURCHASE

The following policy presents an overview of the process participating lenders shall follow when delivering loans that will be sold to NH Housing under an existing Mortgage Loan Purchase Agreement between NH Housing and a Participating Lender (the Agreement). For additional information, participating lenders should consult the Agreement.

5.1 LOAN DELIVERY BY PARTICIPATING LENDER

The Participating Lender shall deliver the closed loan to NH Housing in accordance with the Agreement and with all of the documents listed on the loan stacking sheet for the specific type of loan. Lender shall commit then close the loan reservation in Lender Online.

5.2 COMPLIANCE REVIEW BY NH HOUSING

NH Housing will review:

- The credit documents for compliance with AUS findings and the Program Guidelines
- The Closing Documents for compliance with the Program Guidelines and Closing Document Compliance policy to ensure documents are correctly completed and executed

NH Housing shall then notify the Participating Lender about the loan’s purchase, suspension or rejection via Lender Online.

5.3 PURCHASE

Once the loan is approved by NH Housing staff for purchase, NH Housing shall email the Participating Lender a pre-purchase advice, listing the amounts due to lender. The pre-purchase advice will show an adjustment for the first payment if the loan will be purchased within 15 days of the first payment being due. The Participating Lender shall then review, verify and send NH Housing an email either approving the amounts stated in the pre-purchase advice or advising NH Housing of any discrepancies. Once the Participating Lender has approved the pre-purchase advice, NH Housing shall email the final purchase advice to the Participating Lender.

NOTE: The purchase advice merely addresses the amounts related to the loan; it does not address whether the loan complies with the Program Guidelines.

Lenders will be responsible to pay taxes and or insurance if due date is on or before first payment due to NH Housing.

5.4 POST PURCHASE

Upon notification of purchase, the Participating Lender shall:

- Send the borrower a transfer of servicing letter (aka “goodbye letter”)
• Record the Assignment of Mortgage at the registry of deeds, with NH Housing as the addressee for the assignment once recorded
• Activate Private Mortgage Insurance certificate (if applicable)
• Notify the following providers servicing has been transferred (as applicable):
  o Master Condo Insurance
  o Hazard Insurance
  o Flood Insurance
  o PMI Company
  o Flood Determination Company
• Forward to NH Housing any missing Mortgage Documents
• Notify FHA/RD/VA of servicing transfer, as applicable

Upon purchase, NH Housing shall send the borrower a transfer of servicing letter (aka a “welcome letter”).

5.5 HOME FLEX PLUS LOANS

There are very specific FHA guidelines that Participating Lenders must follow to use NH Housing cash assistance with Home Flex Plus. If the required procedures and documents are not utilized, FHA may not insure the loan and NH Housing may not buy the loan.
SECTION 6. CLOSING DOCUMENT COMPLIANCE

The following policy presents an overview of the process which Participating Lenders and/or Participating Originators shall follow when delivering loan closing documents to NH Housing under the Agreement between NH Housing and the Participating Lender/Participating Originator.

This policy constitutes a “Program Guideline” under the MLPA, which means Participating Lenders and the loans they submit to NH Housing must comply with this policy.

This policy, and NH Housing’s actions hereunder, must consider requirements of:

- NH Housing
- New Hampshire Law
- Mortgage Insurers/Guarantors
- Secondary Markets
- Document Custodians

The loan closing documents shall comply with this policy, the Program Guidelines and all other requirements of the mortgage insurer or the secondary market program. In addition to this Policy, all loans are subject to the MLPA.

6.1 GENERAL GUIDELINES

This policy applies to all loans sold to NH Housing, including:

- Home Flex
- Home Flex Plus
- Home Preferred
- Home Preferred Plus

All missing items will be noted on Lender Online. Participating Lenders shall review the status of their loans on Lender Online periodically to ensure corrections are resolved in a timely manner. The Closing Documents will be delivered to the document custodian for review and compliance with applicable guidelines. In the event an error is not corrected by the lender the loan will be subject to repurchase by the Participating Lender.

This policy does not include all possible errors. If a loan includes an error not covered by this policy, the Participating Lender shall contact NH Housing to determine what corrective action is required by NH Housing and/or the document custodian; all corrections to be in accordance with New Hampshire law.

NH Housing may require participating lenders to provide a legal opinion about what corrective action suffices or is required.

6.2 IDENTICAL INFORMATION

In addition to the specific requirements stated below, all Closing Documents shall have the identical transactional information. This means the note, endorsement/allonge, mortgage and assignment of
mortgage shall be identical in terms of all required information, including name of the borrower(s),
mortgage property address, loan amount, interest rate, property description and other such required
information. A loan that does not have identical information does not meet NH Housing’s
requirements.

There is one exception: When a property owner is not a borrower. In such case, that non-borrower
owner would:

- Not be on the note;
- Must be a signatory on the mortgage and waive their homestead rights; and
- Must be on the title policy when the section identifies the owners as compared to any
  section that identifies the borrower(s).

6.3 DOCUMENTATION REQUIREMENTS

No deed shall convey or encumber the homestead right, except a mortgage made at the time of purchase to secure payment of the purchase money. RSA 480:5-a. In short, in the case of a purchase money mortgage, homestead of the title holders and their spouses does not have priority over the interest of the purchase money mortgage. NH Title Standards, 6-2.*

6.3.5 Manufactured Housing

The following data points must be identified and be consistent within the loan documents, including the deed:

- Manufacturer’s name;
- Model name and/or model number;
- Year of manufacture; and
- Serial number.

If the loan documentation references other data points (such as the size of the manufactured home), those data points must also be consistent throughout the loan file.

We urge lenders to review the deed and all loan documents prior to closing to ensure the above information is provided and consistent with the loan documents and to correct any inconsistencies prior to closing. NH Housing will not purchase a loan that does not comply with the requirements of this notice. Please refer to section 6.7.3 for corrective action.

6.3.6 Initial Escrow Disclosure

Escrow calculations must be made using the Aggregate Adjustment method and include a 2-month cushion for all escrowed items.

6.4 PRE-PURCHASE REVIEW OF THE LOAN

The Participating Lender shall close and deliver loans pursuant to NH Housing’s Loan Delivery and Purchase Policy. Before purchasing a loan, NH Housing shall review all Closing Documents (except the title policy that shall be reviewed post purchase) to ensure the Closing Documents comply with this Policy. If the Closing Documents comply with this policy, then NH Housing shall purchase the loan, provided the loan complies with the MLPA. If the Closing Documents do not comply with this policy (an error), then NH Housing shall not purchase the loan until the error has been corrected consistent with this policy.

6.5 PURCHASE OF THE LOAN

Once the loan has been cleared for purchase, the Participating Lender shall record the assignment of mortgage. The mortgage assignment shall

- Be the same mortgage assignment cleared by NH Housing before purchase; and
- Have the correct book and page for the recorded mortgage.
6.6 POST-PURCHASE REVIEW OF THE LOAN

The Participating Lender shall deliver the original recorded mortgage, the original recorded mortgage assignment and the final loan title insurance policy to NH Housing within 60 days of the loan purchase date. Upon receipt and before submitting the Closing Documents to document custodian, NH Housing shall again review the Closing Documents to ensure they comply with this Policy.

6.7 OMISSIONS AND REVISIONS

Closing Documents that do not comply with this policy must be corrected consistent with this policy, which includes consistent with the requirements of the loan program under which the loan was made.

When an error is discovered in the Closing Documents, NH Housing shall note the error on Lender Online. The Lender shall correct the error consistent with the following paragraphs.

6.7.1 Promissory Note

If the note includes an error, the Lender shall obtain and provide NH Housing with a new note and/or a new note endorsement/allonge. These documents must have new original signatures and be delivered to NH Housing. (NH Housing will not accept a note that has initialed cross outs or additions.)

6.7.2 Mortgage

If a mortgage includes an error, the Lender shall correct that error consistent with the following table:

SECTION 8. HOMEBUYER TAX CREDIT PROGRAM (MCC)

The Homebuyer Tax Credit Program is a Mortgage Credit Certificate (MCC) Program. The MCC Program is a federal program that aims to provide eligible borrowers with a long-term benefit to help them afford a home. An MCC works by reducing the federal income taxes that an eligible homebuyer must pay. The MCC can convert a percentage of the interest paid on a mortgage each year into a tax credit. The maximum tax savings could be up to $2,000 per year. Required forms are available on our website. See Fact Sheet for more information.

To be eligible to receive an MCC, a borrower must meet certain requirements:

- Be a first-time homebuyer or purchase in a targeted area
- Must occupy the home as a principal residence
- Must meet certain income and purchase price limits
- Have an eligible first mortgage
- Have a tax liability

As stated in Homeownership Program Rule HFA 341.16, all lenders legally authorized to originate residential mortgages in the state may participate in the MCC Program in one or both of the following capacities:

- Acting participating MCC Lender; and/or
- An underlying mortgage lender

To act as a participating MCC Lender, a lender must sign the MCC Lender Agreement found on our website.

8.1 MORTGAGE CREDIT CERTIFICATE PROGRAM

8.1.1 Maximum Rate on Underlying Mortgage

For fixed rate loans, it is the highest interest rate offered by NH Housing at the time of rate lock with lender. For ARM, refer to the variance for ARM policy.

8.1.2 Mortgage Credit Certificate (MCC) Fees

8.1.3 Closing Cost Limits

Lenders may not charge an MCC borrower any additional fees for the MCC. Other loan closing costs are limited to fees that are reasonable and customarily charged to a borrower applying for a mortgage without an MCC.

8.1.4 Specific MCC Program Guide

In addition to the Homeownership Program Rules outlined here, each MCC election will have a specific MCC Program Guide which will describe certain specifics for that MCC election.

NH Housing will establish and publish each Specific MCC program on its website(s). The guide that shall describe for that Specific MCC program:

1. The name of the Specific MCC Program with reference to the year of the MCC election
2. Total amount of MCC capacity
3. MCC Rate(s)
4. MCC Fees and
5. Any other information or requirements specific to that MCC program, including the date as to when that Specific MCC program will expire under IRS laws or as terminated by NH Housing.

8.1.5 MCC Reservations

Participating MCC Lenders must use Lender Online to reserve the MCC. If Lender Online is not available, the Participating MCC Lender must submit a reservation using the Reservation Form, which may be emailed to mcc@nhhfa.org.

MCC reservations shall automatically expire four months from the reservation date. Reservations shall automatically be extended if NH Housing is processing a complete MCC package. Reservations may be extended by NH Housing, provided:

- The borrower or lender initiates an extension request;
- The MCC, based on the extended reservation, can still be issued in compliance with IRS regulations and NH Housing rules; and
- There is MCC capacity still available to fulfill the reservation as extended.

8.1.6 MCC Income Standard

Effective January 3, 2022, NH Housing will follow IRS Revenue Ruling 86-124 when reviewing income eligibility under the MCC program.

Please note, the existing policy about required occupancy remains: The IRS regulations require that an MCC recipient must live in the home. Therefore, regardless of the information below, NH Housing does not issue MCCs to nonoccupant borrowers.
Under the MCC income standard, NH Housing will only require gross income verification (meaning the income considered in determining eligibility and the documents required to verify income) from the following MCC applicants:

1. All mortgagors. "Mortgagor" means someone who:
   a. Owns an interest in the home (is on the deed); and
   b. Signs the mortgage as security for the loan, even if not on the note.
2. Any other person who is secondarily liable on the mortgage and is expected to live in the home.

“Secondarily liable” means anyone who signs the note or other document that creates liability on the note.

8.2 PRE-APPROVAL POLICY AND PROCEDURES

NH Housing does not require lenders to seek an MCC Pre-Approval. Generally, the lender compiles the MCC application and provides it to NH Housing after the mortgage closing. NH Housing then reviews the application and issues the MCC, if the borrower qualifies. To accommodate lender’s request, NH Housing will provide an MCC Pre-Approval, provided the lender complies with this policy.

NOTE: NH Housing asks lenders to seek MCC Pre-Approval only when essential to the mortgage transaction (e.g., borrower needs the MCC to qualify for the mortgage), therefore, NH Housing expects these requests to be limited.

8.2.1 MCC Pre-Approval Procedures

If a lender requests an MCC Pre-Approval, NH Housing and the lender shall follow these procedures. If there has been any material change, the lender shall ensure NH Housing has a current complete MCC packet.

This policy provides a process to obtain an MCC Pre-Approval. NH Housing’s obligation to purchase a loan still depends on the lender ensuring that a loan meets all program guidelines. For example, if NH Housing has issued an MCC Pre-Approval but the borrower does not ultimately qualify for an MCC, and that impacts the ability to obtain insurance/guarantee on the loan, the lender bears that risk and NH Housing would not be required to buy that loan.

Step One: Before the Mortgage Closing

Lender Responsibilities

- The MCC Pre-Approval request must be submitted to NH Housing at least three business days before the scheduled mortgage closing.
- The lender must submit a complete MCC Pre-Approval packet (see next paragraph). NH Housing will not review an MCC Pre-Approval until the packet is complete.
- MCC Pre-Approval Packet: The lender must submit the following:
  - Copy of complete signed Loan Application (1003);
  - Online Homebuyer Tax Credit Training Certificate of Completion;
  - Copy of complete MCC Applicant(s) Affidavit and Recapture Notification;
Verification of the income for all Mortgagors and any other person who is expected to both live in the home and be secondarily liable on the Mortgage, including:

- Wages and other compensation (evidenced by most recent 30 days’ paystubs);
- Child support;
- SSI;
- SSDI;
- VA Benefits;
- Pension/Annuity; and
- Current year-to-date business profit and loss statement.

Tax Returns - signed and dated, copies for the most recent three years, complete with all schedules and W-2s, or three years complete IRS tax transcripts for all Mortgagors and any other person who is expected to both live in the home and be secondarily liable on the Mortgage.

*NOTE: If the property is located in a Targeted Area, tax returns and/or transcripts are not required, unless the borrower is self-employed, in which case, two years would need to be provided.*

**NH Housing Responsibilities**

Upon receiving a complete MCC Pre-Approval packet, NH Housing will:

- Review the packet; and
- Within three business days, provide the lender a decision on the MCC Pre-Approval request.

**Step Two: After the Mortgage Closing**

**Lender Responsibilities**

After the mortgage closing, the lender must, within 14 calendar days of the closing date, submit the remaining documents for a complete MCC Application. The remaining documents required for an MCC to be issued are:

- Underwriting and Transmittal Summary (completed and signed by the underwriter);
- Copy of complete Final signed Loan Application (1003);
- Copy of Real Estate Sales Contract, signed, with all Addenda;
- MCC Program Disclaimer and Affirmation of Responsibility;
- Applicant(s) Closing Affidavit;
- Seller Affidavit;
- Lender Closing Certificate;
- Copy of executed Note;
- Copy of executed Mortgage;
- Copy of Closing Disclosure (fully executed); and
- MCC fee.

Complete copies of all MCC documents can be found here:

- [Application package with NH Housing mortgages](#)
- [Application package without NH Housing mortgages](#)
NOTE: If the lender is aware of any material change, the lender shall submit a new and complete application.

**NH Housing Responsibilities**

Provided NH Housing does not receive any information of a material change in circumstances that would disqualify the MCC applicant, NH Housing will issue the MCC.

### 8.2.2 Use of MCC When Underwriting a Mortgage

Provided the loan meets all applicable requirements, NH Housing will purchase loans that use an MCC in qualifying the borrower. In doing so, the lender must follow the MCC requirements established by the different loan programs or mortgage insurer/guarantor, which can vary based on the type of loan being underwritten (FHA, RD, VA and Fannie Mae). When a lender sells a loan to NH Housing, the lender is representing that it complied with those underwriting requirements for using the MCC.

- In counting “calendar days,” the day of the reservation and day of delivery are counted as days. If the delivery deadline is a weekend or holiday, the lender has until the following business day to deliver the loan.
- A “ready-to-purchase loan” means a loan delivered in the format specified in NH Housing’s rules and including all documents as detailed in the Stacking List. Loan files that are delivered to NH Housing that are not ready-to-be-purchased loans, shall earn the acquisition fee based on when the file becomes complete.
- NH Housing, in its sole discretion, may elect to purchase or not purchase a loan delivered more than 120 days after reservation. Such loans have an expired rate lock. NH Housing reserves the right to charge the lender a penalty of up to 1% of the mortgage amount.
- When combining either the Home Flex or Home Flex Plus with the MCC an additional .20 basis points will be added to the acquisition fee.
- The $300 MCC fee collected from the borrower at time of closing will be net funded at time of purchase.
