

You're Essential

So is finding you a home.

Through the new **Community Heroes Initiative**, eligible essential workers may receive a **\$3,000 closing-cost credit** when purchasing a single-family primary residence through one of New Hampshire Housing's Plus mortgage programs.

Frontline COVID workers are our local heroes, and finding you a home is essential to us. To show appreciation for the vital services you have provided during the COVID-19 pandemic, New Hampshire Housing has launched this special initiative to help you become a homeowner.

Eligible borrowers, or "Community Heroes," include:

- **Healthcare, Daycare & Eldercare Workers**
- **First Responders & Firefighters**
- **Law Enforcement Officers**
- **Educators**
- **Active members of the Armed Services**
