

FY2022 Supportive Housing Notice of Funding Availability
Attachment C: Development Team

Please provide information about the members of the project development team below. If a member of the team has not yet been selected, please write "TBD." If a development team role is not applicable to the project, write "NA." If the owner/applicant is serving as the property manager and/or supportive service provider, please list the owner/applicant in the field. Please note that it is uncommon for an applicant to have their construction manager/general contractor in place at the time of application. The hiring of a construction manager or general contractor must be completed in accordance with the procurement requirements within HFA 111 New Hampshire Housing Finance Authority Design and Construction Rules.
