Provide a certification that the following plan elements have been revised, provided to the RAB for comment before implementation, approved by the PHA board, and made available for review and inspection by the public. This requirement is satisfied by completing and submitting form HUD-50077 ST-HCV-HP, *PHA Certifications of Compliance with PHA Plan, Civil Rights, and Related Laws and Regulations Including PHA Plan Elements that Have Changed*. Form HUD-50077-ST-HCV-HP, *PHA Certifications of Compliance with PHA Plan, Civil Rights, and Related Laws and Regulations Including PHA Plan Elements that Have Changed* must be submitted by the PHA as an electronic attachment to the PHA Plan. This includes all certifications relating to Civil Rights and related regulations. A PHA will be considered in compliance with the certification requirement to affirmatively further fair housing if the PHA fulfills the requirements of §§ 903.7(o)(1) and 903.15(d) and: (i) examines its programs or proposed programs; (ii) identifies any fair housing issues and contributing factors within those programs, in accordance with 24 CFR 5.154; or 24 CFR 5.160(a)(3) as applicable (iii) specifies actions and strategies designed to address contributing factors, related fair housing issues, and goals in the applicable Assessment of Fair Housing consistent with 24 CFR 5.154 in a reasonable manner in view of the resources available; (iv) works with jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; (v) operates programs in a manner consistent with any applicable consolidated plan under 24 CFR part 91, and with any order or agreement, to comply with the authorities specified in paragraph (o)(1) of this section; (vi) complies with any contribution or consultation requirement with respect to any applicable AFH, in accordance with 24 CFR 5.150 through 5.180; (vii) maintains records reflecting these analyses, actions, and the results of these actions; and (viii) takes steps acceptable to HUD to remedy known fair housing or civil rights violations. impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with the local jurisdiction to implement any of the jurisdiction's initiatives to affirmatively further fair housing; and assures that the annual plan is consistent with any applicable Consolidated Plan for its jurisdiction. D. Affirmatively Furthering Fair Housing (AFFH).

D.1 Affirmatively Furthering Fair Housing. The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: "To implement goals and priorities in an AFH, strategies and actions shall be included in program participants' ... PHA Plans (including any plans incorporated therein) Strategies and actions must affirmatively further fair housing." Use the chart provided to specify each fair housing goal from the PHA's AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D., nevertheless, the PHA will address its obligation to affirmatively further fair housing in part by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintain records reflecting these analyses and actions. Furthermore, under Section 5A(d)(15) of the U.S. Housing Act of 1937, as amended, a PHA must submit a civil rights certification with its Annual PHA Plan, which is described at 24 CFR 903.7(o)(1) except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document.

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced the Annual PHA Plan. The Annual PHA Plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public for serving the needs of low- income, very low- income, and extremely low- income families.

Public reporting burden for this information collection is estimated to average 6.02 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information, and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Resident Advisory Board (RAB) Comments -Meeting December 16, 2021

1. The HCV Administrative Plan had no changes from last year, so a quick review of the contents was recommended. **No comments were noted.**
2. Family Unification Program (FUP): The FUP Program includes eligible youth who are at least 18 years and not more than 24 years of age and who have left foster care. The voucher cannot exceed 36 months, however, NHHFA will start issuing turnover vouchers once they expire. This will provide FUP Youth with more stability and time to find employment and become self-sufficient.
 - **Concur – this provides young adults the needed time to become self-sufficient; however, one concern is that they should be monitored to ensure progress is being made so they can eventually stop receiving assistance. Another concern was “are 18-year old’s” responsible enough to become self-sufficient.**
 - **Response – NHHFA offers the Family Self-Sufficiency (FSS) program to FUP Youth which can include financial fitness and employment coaching, mentoring and online resources that help support their goals.**
3. NHHFA is looking to build a Web Portal so folks can provide their Recertification Packages online – What are your experiences with Portals - “NH Easy”? We are also launching a Marketing/Application Web Portal.
 - **Concur – however some elderly Tenants and others may not have the capability, resources, or the assistance to use a Web Portal. Recommend utilizing both legacy and new communication processes to obtain client documentation, i.e., Post Office, Case Manager Assistance, DocuSign, etc.**
 - **Response – NHHFA will ensure all participants have equal access to complete the required paperwork. The Web Portal will be developed in accordance with the Americans with Disability Act (ADA) to ensure access to any person. We will also continue to administer the application process using the U.S. Postal Service when required.**
4. What are your thoughts on NHHFA adding up to 200 additional Project Based Voucher units to our HCV caseload? Doing this means we slow down our pull from the waiting list; however, this activity is consistent with our PHA Plan because our NH Consolidated Plan identified the need to develop affordable rental housing for low and very-low-income families in the state to address the high housing cost burden for New Hampshire families. This also allows us to maintain a high rate of HCV utilization which helps us receive the same levels of funding going forward.
 - **Concur – no concerns but would like to know how often NHHFA does this.**
 - **Response – NHHFA will provide public notice in a local newspaper and on the NHHFA website whenever other programs/actions impact the waiting list.**
5. Down Payment Assistance (\$7,500), Home-Buying Programs, Home Repair Grants/Loans (\$4,000) and Buying down Mortgage Insurance Premiums for Voucher Assisted Mortgage Option (VAMO) Clients.
 - **Concur with the timing and the amount of money NHHFA is offering VAMO Clients. The struggle for low-income households to compete for homes is ongoing – this is a great opportunity for VAMO clients to be able to compete for the home they need.**
 - **Response – NHHFA will provide an update to the RAB next year on how the assistance has impacted VAMO Clients.**
