Introduction

This is the Citizen Participation Plan (CPP) for use with all activities related to the five-year Consolidated Plan for the State of New Hampshire (Consolidated Plan). The CPP was initially prepared and approved by the Housing and Community Development Planning Council. Federal regulations require the adoption and utilization of a Citizen Participation Plan to ensure adequate opportunities for citizen participation in all activities related to the Consolidated Plan. Additional revisions may be made from time to time by agency staff and posted to our websites to reflect any changes or updates to the federal regulations.

The five-year Consolidated Plan, and the subsequent annual Action Plans for years two through five, must be submitted to the U.S. Department of Housing and Urban Development (HUD) for the State to obtain four different grants available to states. These grant programs are: the Community Development Block Grant, administered by the Community Development Finance Authority (CDFA); the HOME Investment Partnerships Program and the Housing Trust Fund, administered by the New Hampshire Housing Finance Authority (New Hampshire Housing or NHHFA); and the Emergency Solutions Grant, administered by the New Hampshire Department of Health and Human Services, Bureau of Housing Supports (DHHS-BHS).

The public is invited to comment on the CPP at any time. If the CPP is revised, the revision date at the beginning of the document will be updated. This plan is considered an integral part of the Consolidated Plan activities. It provides the opportunity for significant involvement of organizations, agencies, and citizens in the development of the state’s Consolidated Plan, and other associated plans and reports to HUD, and ensures access to information during the planning and implementation of programs utilizing federal resources covered by the Consolidated Plan.

Notification of Public Hearings and Meetings and Comment Periods

Citizens will be given notice of the availability of the Consolidated Plan documents and of public hearings and meetings pertaining to the Consolidated Plan Process through several avenues, including but not necessarily limited to those listed below:

- Email lists of stakeholders have been developed by CDFA, NHHFA, and DHHS-BHS consisting of homeless, housing, community, and economic development organizations in New Hampshire. The list includes state agencies, nonprofit shelter, housing and service providers, program and resource administrators, local and regional planners, community development organizations, community economic development organizations, community action agencies, public housing...

These groups will receive information directly via email or mail from CDFA, NHHFA, DHHS-BHS requesting that they invite their clients, beneficiaries, and other stakeholders to participate in public hearings, submit information on housing, economic development, community development and homeless needs and comment on the draft plan.

- Additionally, notices will be posted on New Hampshire Housing Finance Authority’s website at www.nhhfa.org, the Community Development Finance Authority website at www.nhcfda.org, and the Department of Health and Human Services, Bureau of Housing Supports website at http://www.dhhs.nh.gov/dcbcs/bhhs/index.htm

- The use of social media, both to inform partners and engage the general public, is used to inform the public of actions pertaining to the Consolidated Plan process. Early social media use has included Twitter, Facebook, and a blog.

- Documents relating to the Consolidated Plan will be posted on the internet website https://www.nhhfa.org/publications-data/nh-consolidated-planning-for-hud/

- Notices will be published in a daily newspaper with statewide circulation and posted on the associated agencies’ websites. **Hearings and Comment Periods for Consolidated Plan, Annual Action Plan and Consolidated Annual Performance Evaluation Report**

- At least one public hearing will be held on housing and community development needs before the 5-Year Consolidated Plan and the subsequent annual Action Plans for years two through five, are drafted and posted for comment. There will be a minimum 14-day notice of the date of this public hearing.

- After this public hearing, the public will be informed that there will be a 30-day comment period for the 5-Year Consolidated Plan or the annual Action Plan for years two through five. Before the final Plan is submitted for approval to the Governor’s Office, a Draft of the 5-Year Consolidated Plan or the annual Action Plan for years two through five will be available for download at https://www.nhhfa.org/publications-data/nh-consolidated-planning-for-hud/
Printed copies will be available by request to those without internet access. Citizens will be able to submit comments via email or mail and the contact for both will be identified in the notice of the comment period. Notices about all public hearings shall describe the time, location and purpose of the meeting and indicate a name and phone number of a hearing coordinator to whom requests for special accommodations can be made. Given the continued disruptions caused by the COVID-19 pandemic, public hearings will continue to be held as hybrid, in person and virtually, for the immediate future.

- If there is a substantial amendment to the Consolidated Plan or an annual Action Plan, the public will be given at least 30 days to comment before the amendment is implemented. Notices will be published in the statewide edition of the Union Leader and posted on the associated agencies’ websites. Citizens will be able to submit comments via email or mail and the contact for both will be identified in the notice of the comment period.

Location and Format of Public Meetings and Hearings

- At least one public hearing will be held for public input into the housing and community development needs before the Consolidated Plan is drafted and posted for comment, however the public may also be invited to attend public meetings and forums throughout the state to provide input to the development process. For the populations that are eligible for Emergency Solutions Grant funds, the State’s Continuums of Care, including the meetings of the “sub-continuums” operating in different regions of the state, will serve as the primary means for citizen input. Early in the process of developing a new Consolidated Plan, public meetings and forums may be held throughout the state with the following objectives: to inform the public about the proposed schedule and process for development and submission of the Consolidated Plan; to solicit information about housing, homeless, community development and economic development related needs; and to gather information about current programs and program delivery processes. In addition to participating by providing verbal or written testimony at a hearing, citizens and interested parties will be encouraged to submit written comments.
Additional mechanisms such as online surveys and/or blogs may be used to gain additional input on the public’s perceptions of priority needs that can be addressed with Consolidated Plan resources.

- All public hearings will be recorded, and written summaries of the comments and suggestions presented as well as staff responses will be included in the final Consolidated Plan, Annual Action Plan and Performance Report.

- All hearing sites shall be accessible and the hearing coordinator, generally a staff person of NHHFA, shall be responsible for accommodating the special needs of participants to the greatest extent possible.

- Limited English-speaking residents who wish to attend a public hearing may request interpreter services and these services will be arranged and provided in accordance with NHHFA’s Language Access Plan (LAP).

- All meetings and public hearings will be interactive to the greatest extent possible. Typically, the meetings and hearings will include presentations of data and information by the administrative agencies to assist in soliciting reactions and input from attendees.
