

LENDER NOTICE Staff Update

January 7, 2022

Introduction

This lender notice relates to New Hampshire Housing staff news.

Summary

Ignatius MacLellan, Managing Director of NH Housing's Homeownership Division, will be assuming a new role at NH Housing as Managing Director of the Management & Development Division, effective January 24, 2022.

Ignatius asked us to share this message with you, our lender partners.

Together we have achieved great things during the last 10 years:

- *Helped over 11,000 households buy a home!*
- *Invested \$2.2 billion in mortgage funding!*
- *Provided over \$32 million in cash assistance to moderate-income homebuyers!*
- *Issued over 5,500 Mortgage Credit Certificates, saving homeowners millions!*

We can all be proud of these accomplishments. They only happened because of you and the incredible people at NH Housing, especially the Homeownership Team. Our team stands ready to continue this wonderful and successful relationship with you. Thank you for your advice, support and yes, business over the last 10 years."
