

NEW HAMPSHIRE HOUSING CONFERENCE SPONSORSHIPS

New Hampshire Housing presents three annual half-day conferences focused on the Granite State's affordable housing and economic development needs. These specialized conferences explore the latest topics in affordable housing, economic trends, and housing advocacy and policy. They also provide educational and networking opportunities for attendees.

We invite your company to sponsor the conference series or one of the events.

Our conferences draw professionals from the financial, real estate, lending, development, nonprofit, and other housing-related sectors, as well as public officials and business leaders.

As a sponsor, you will receive multiple acknowledgements at the conference and in online marketing materials, along with complimentary registrations.

2023-24 CONFERENCE SERIES

October 4, 2023 – Housing & Economy Conference, Manchester

This conference explores the state and national housing markets and their influence on the economy. It features nationally known speakers, and draws 300+ professionals from the financial, real estate, lending, development, nonprofit housing-related organizations, as well as public officials.

March 26, 2024 – Homeownership Conference, Manchester

This conference will explore ways to develop an adequate mix and supply of owner-occupied housing in the state, as well as housing market trends. The event draws 200+ housing professionals.

June 7, 2024 - Multifamily Housing Conference, Portsmouth

This conference will focus on increasing the state's stock of affordable multifamily housing and draws examples of success regionally and nationally. The conference draws 200+ housing finance and development professionals from the private, nonprofit, and public sectors.
